* * *

This is an Educational and Inspirational Course of Study dealing with Interplanetary subjects. It is especially written and intended for NEW AGE Individuals everywhere. The following FIVE lessons are included in this special Study:

1. "THE SAUCER PEOPLE ON EARTH"
2. "FLYING SAUCERS AT GIANT ROCK"
3. "SECRETS OF THE SAUCER PEOPLE"
4. "THE MAGIC OF ETHER SHIPS"
5. "DISCS, DESTINY AND YOU"

* * * * *

"FLYING SAUCER REVELATIONS" is based on Scientific Findings, UFO data accumulated by numerous Researchers, intensive Personal Investigation and Mystical Revelation by the Author.

"SAUCER PEOPLE ON EARTH"

Part One

Man's Secret Origin

Did you ever wonder about how you came to be on this planet? Where did you...and the other billions of human inhabitants of this Earth come from in the first place? What are the real facts?

You're going to be astounded and amazed when you find out the whole story of man's secret origin! You'll probably say to yourself "Why wasn't this information brought to my attention before?" and, "Why wasn't I taught this kind of knowledge in school, so I could have been making good use of it all these years? Why? Why? Why?"

Well, for one thing, this is MYSTIC KNOWLEDGE. You can't expect to learn it in school, unless of course, it's a Mystic School. How many Mystic Schools are there? You can count them on the fingers on one hand. This is SECRET KNOWLEDGE. It's not commonly known at all. In fact, it is so rare and uncommon that as a general rule you have to search diligently for it, and "prove yourself" before it is revealed to you. That is why I'm going to give you certain facts--some golden links in the chain of your GOOD--which have been so long withheld from you. I believe you are now ready for the great TRUTHS!

WHERE DID MAN COME FROM ? ? The fact is, Earthman is not the only tenant of this universe. He only thinks he is. That is where he makes a big mistake. There are countless other Solar Systems throughout this vast universe in which highly intelligent human life forms are, at this very moment, living and breathing the same as you and I! Many of those Systems are not merely hundreds or thousands, but MILLIONS of years in advance of ours...and the beings who inhabit those other "planetary chains" have a great deal to do with YOUR secret origin.

According to many of the ancient teachings, ALL of the planets of this Solar System are inhabited by intelligent beings. Now I did not say PHYSICAL HUMAN BEINGS, such as are on Earth. It's mightily important for you to realize that some of the planets in our System are peopled only by ETHERIC BEINGS. They don't have physical bodies like we do. But they do have a very efficient etheric body which they are very proud of, and which serves them nicely in many ways.

All beings--whether in physical or etheric form--are of course in varying grades of intelligence or "awareness of that which is". Each planet, for example, in our System is said to be actually a "School of Life" wherein the intelligent beings are able to learn certain vitally essential lessons in the true art of living.

Just as in any school, the idea is for all the individuals who dwell on any planet, to master the various "rules" or "laws" of life.

This is accomplished, of course, by learning how to consciously expand our awareness of the secret principles upon which your mind and your body and the entire universe are run.

When this is accomplished--and ONLY then--to the extent that an individual actually applies the knowledge he gains, he or she is permitted to "graduate" to another planet more advanced in the planetary scheme, where NEW LESSONS are learned. In this way, we progress from glory to glory...constantly unfolding our higher God-like powers!

Since there are a total of nine planets revolving around the Sun, it seems we Earthlings have Nine Schools to attend before we complete our "Course of Study" in this Solar System.

Each "School Term" lasts 2500 years. (Figuring in Cosmic Time this is not as long as you might think). At the end of that planetary cycle, some evolutionary cataclysm usually occurs (such as the Glacial Age, the Deluge, a Polar Shift, etc.) which, quite naturally, eliminates the "mass-minded" or the ones who "failed" in the earthly School of Life.

At the crucial time, however, some great Teacher of Light and Love appears on the planet. His purpose is to guide and direct the next class of intelligent beings who are arriving on the earthly scene for the first time. Jesus, Buddha, Zoroaster, Lao-Tse, Hermes Trismegistus, and Sanat Kumara (The Ancient of Days) were among the greatest of these Teachers. You could name many others.

What I am about to give you now is not new information. Rather, it is ages old. In fact, it is part of a body of Secret Knowledge that is called the Ageless Wisdom, for it is eternal. Some of this information is older than our planet itself (meaning it was given to us by higher intelligences from other planets and other systems.) Fortunately for you and me and other sincere Seekers, this marvelous body of knowledge has been preserved by a rare few of Earth's mystic masters in India, Tibet, Europe and America. The "Saucer Story" for instance, is an amazingly ancient story...known to certain advanced Earthlings for many, many centuries.

Before revealing the full story, I shall first "condition" your mind to several facts regarding interplanetary or space flight. The first thing to realize is that SPACE FLIGHT IS POSSIBLE. Our men of science on Earth now admit it. They believe that within the next ten years we shall have launched a rocket-ship to the moon and back. (They are even now experimenting in the building of our own "discs".)

This being so, what, I ask you, is there to have prevented some other planet, more highly advanced than our Earth, from having reached the same conclusion long ago. And, having reached such a definite conclusion, what is there to have stopped them from building a Space Ship in the logical form of a Flying Disc, and, using a better power than rocket power, conquering Space?!

Let us carry this thought a little further. Why do you think it is so difficult, so contrary to the thinking habits of our modern

scientists to accept the idea that Flying Saucers already exist?

I will tell you why. If our "learned" scientists were to admit the existence of Spacecraft and Beings from other worlds, they would be admitting that our planet Earth is NOT the one and only planet in the Universe which has produced highly intelligent life forms. To admit such a thing would be a terrible blow to man's proud ego. It would force man to accept the fact that Earth is not the advanced place some of us think it is. Earth Man doesn't like to admit this.

The truth, according to ancient Hindu writings, is that Earth is but a "baby" in comparison to other planets in the universe. For example, Venus is one entire Chain (period of evolution) in advance of ours. Therefore, the intelligences of Venus are very highly evolved. This had to be, for the Venusian Race is ancient beyond belief in the sense that it originated many millions of years ago.

As for the story of the first consciously awakened Man on Earth, it really begins in the year 18,617,841 B.C. In other words, the date of our epic is eighteen million, six hundred and seventeen thousand, eight hundred and forty-one years before the birth of Christ.

In that momentous year--as revealed by ancient Hindu writings--the first space ship came from the planet Venus, to land here on planet Earth. From Venus, "The Home of the Gods", came Sanat Kumara, (The Lord of the Flame) with his four Great Lords and one hundred assistants. These shining beings saw to it that human souls became incarnated in physical bodies on Earth.

Until the arrival on Earth of Sanat Kumara from Venus, Man did not have conscious awareness. He was the product of long ages of slow evolving upon planet Earth. Physically he resembled Man as we know him today; but mentally he was like the animals. That is, he lived only in his subconsciousness. The front section of his brain was asleep.

When the Lord of the Flame saw the poor mindless thing that was Man, he felt moved to assist directly in Man's unfoldment. He used his spiritual powers to awaken the centers of individuality in the Earth Man.

This fact is the "missing link" in the evolution of Man on this planet.

The Lord Sanat Kumara called the first consciously awakened man Adam, in tribute to the Venusian Lords who belonged to the Adamic Race of Venus. At the time of his conscious awakening, Adam's body was androgynous or bi-sexual. He was a two-fold being, having both male and female components perfectly balanced within his own physical body. To facilitate the propagation of offspring, Sanat Kumara changed the sex polarity of Adam from bi-sexual to uni-sexual. This led to the creation of Eve who became Adam's mate.

Adam and Eve were blessed with children and the Adamic line

branched out to cover the entire face of the globe. All of us here on Earth--regardless of color, or of "belief-conditioning"--are direct descendants of Adam and Eve; and indirect descendants of the Adamic Race of Venus.

After Sanat Kumara and his helpers had finished their work of starting a physical race of Mankind on Earth, they returned again to Venus and left man to evolve higher up the ladder of Life through his own personal efforts and illuminating experiences. It was only right that the Lord Thinkers should leave Man then, for those brilliant Beings belonged to an entirely different Life Chain than ours.

As the centuries of time rolled by, men of Earth learned many secrets of universal power, secrets which most people of today believe to be strictly modern and "new" discoveries of science. The hidden truth however, is that what we call new is "old stuff" to the Saucer People of the inhabited planets in space. They've been masters of a "Secret Science" of the universe which is so ancient its origin is lost in the mists of time. Some of their truths are not millions, but billions and trillions of years old. Much of the knowledge has been passed from one planet to another, such as the "formula" for successful Space Flight, De-Gravitation, Telethot, etc. etc. There simply is nothing essentially NEW under the sun; though our modern science likes to think so.

As Man's "I.Q." increased, wonderful civilizations such as those on Atlantis, Lemuria and Mu, were built..but each time they fell apart or were destroyed chiefly through misuse of their own great powers. In addition to the calamitous results of human foolishness, Nature itself rebelled many times. Great planetary cataclysms occurred, due to a sudden shifting of the poles of the Earth. The Great Deluge, or Flood, was one of these. It is important, because it is part of the whole amazing story of Flying Saucers, the Space People, who they are and what their seemingly "mysterious" purpose really is.

Way back in the days of Noah, the Earth shifted its poles. At once a monstrous Tidal Wave swept over all of the then populated areas of the world, destroying nearly all living beings. All the marvelous ancient records, manuscripts, secrets, etc., were lost to mankind, and man was forced to begin again his long upward climb toward the Light. Did I say ALL was lost? Not quite all. We must not forget the fabulous "Bible in Stone"--THE GREAT PYRAMID OF EGYPT! Let us now see how the Great Pyramid "ties in" to the picture.

Shortly before the Noaic Deluge took place, the Saucer People had realized that such a disaster was impending. They could tell, from their observations made in space, that the Earth was about to SHIFT POSITION. In the short time remaining before the "shift" was to occur, the Saucer People--Venusians--went into positive action on behalf of humanity's present and future welfare. The Lords of Venus determined to build an "altar to the Lord in the midst of the land of Egypt, and a pillar at the border thereof to the Lord. And it shall be for a SIGN and for a WITNESS unto the Lord of Hosts in the land of Egypt."--Isaiah 19:19-20.

You no doubt are aware that the Great Pyramid was designed by beings of extraordinary intelligence. The perfect knowledge of Astronomy revealed by the Pyramid was "first-hand" knowledge possessed by those Masters of Space and Time, the Lords of Venus!

Inner teaching has it that the Lord Thinkers directed one of Earth's wisest mortals, King Thothmus, as to HOW the entire edifice was to be constructed. Thothmus was a great mystic, and cooperated fully with the Venusians for he understood that the building of the Great Pyramid would serve FIVE vital purposes:

1. To preserve Secret Knowledge on Earth.
2. To prophesy the future of Earthmen.
3. To serve as a Temple of Mystic Truth.
4. To be a SIGN or landmark for Space Ships.
5. To be a WITNESS unto the Lord of Hosts.

As you know, certain principles of construction were used which are still the wonder of the world, even today. For instance, so accurately were the stones interlocked in the Pyramid that you can scarcely insert a calling card between the blocks, today.

The "Lord of Hosts" refers to that highly evolved and mighty being, Jesus Christ, whose kingdom was of "another world" (not of this world)...a planet in our Solar System that is far ahead of us in spiritual unfoldment. This highly spiritual soul was born on Earth, and become an outstanding Teacher of Light and Love.

So the Pyramid was built and the Knowledge of Ages concealed within its stone walls, to endure down through the centuries. Noah, a sincere seeker of spiritual Light, was contacted by the Saucer People and warned of the planetary shifting that was soon to destroy the Men of Planet 3 (Earth). So Noah built an Ark as directed.

THEN THE EARTH SHOOK TERRIBLY!

And the oceans ROARED over the land, flooding ALL of the populated areas. "And the waters prevailed exceedingly upon the Earth; and all the high hills, that were under the whole heaven, were covered. Fifteen cubits upward did the waters prevail; and the MOUNTAINS were covered. And ALL FLESH DIED that moved upon the Earth, both of fowl, and of cattle, and of beast, and of every creeping thing upon the Earth, and EVERY MAN. All in whose nostrils was the breath of life, of ALL that was in the dry land, died."--Genesis 7:19.

NOAH and his few faithful followers were, of course, spared... so that the Race could continue as the Lord Thinkers had planned. And so it has continued to this day.

Only one thing is wrong. Some of us Earthlings, too many of us, in fact, have refused to grow as fast in the spiritual department of life as we have grown in the mental, technical and material phases of living. How very deplorable! We've been told time and time again, "With all thy getting, get understanding!" That means SPIRITUAL WISDOM does it not? What do you think our nation, in fact our whole

world NEEDS most right now? More Guided Rocket Missiles? More Super-Sonic Jet Bombers? More A-Bombs and H-Bombs in our "stock-pile"?

No. A million times NO! You know the answer as well as I. We need a dynamic SPIRITUAL AWAKENING! We need to send out a great LOVE-RAY to our fellowman in every country, and lift him up into a higher kind of "response". But in order to send out such a Love-Ray we must ourselves, individually as well as collectively, feel and experience this dynamic SPIRITUAL AWAKENING. We must cease smothering our spiritual wisdom. We must refuse to let it be choked out by the wasted attentions we give to matters which are NOT Spiritual. Only the true LOVE-RAY (which our Greatest of Teachers explained to us 2,000 years ago) can nullify the effect of the horrible DEATH-RAY that man keeps "tinkering" with.

THE AIR FORCE
NOW BUILDS OWN
FLYING SAUCERS.

The Department of Defense in our country just recently released a most interesting report, prepared by the United States Air Force. It stated that a new type of "vertical rising, DISC-shaped aircraft is now being built for the Air Force by AVRO, Ltd., Canada. Why build a Flying Saucer? For several good reasons. It can take off vertically without any need of a large landing field. Once it is in horizontal flight, it will be capable of enormous SPEED.

Soon you'll be seeing plenty of "Saucers" in the sky, produced by Earthmen, if the AVRO project turns out successfully. We hope it works out for them, for we understand they've poured six million dollars into the project already. Back in 1945 the Air Force did not put much "stock" in the real "existence" of Flying Discs, even when the Discs were buzzing all around Washington, D. C., the seat of our Government.

In the Air Force report, which you can read in the April 1956 issue of Fantasy and Science Fiction magazine (on your newsstands or send 35¢ to Fantasy House, Inc. 471 Park Ave., New York 22, N. Y.)--the findings of their "Saucer Investigations" during the past three years are--to our way of thinking--still very "inconclusive". The idea of an extra-terrestrial origin of the "Unidentified Aerial Objects" is carefully avoided.

Authorities can sometimes be quite misleading. Perhaps for a valid reason, such as "security" measures, or to avert public panic. We can understand this. But let us, you and I, think for ourselves with the evidence before us. The real Truth about the Discs, the landing of the Saucer People on Earth, and their vital mission, will thus be revealed to us by our own "Knower" within!

This "Knower" within is the revealer of all true wisdom and can be contacted by keeping your attention upon the Great True Self, or God-Presence within your own heart. It is only by devotion to this spiritual center within you that the "Knower" reveals true wisdom. The wisest men who ever lived on earth attained wisdom in this way!

A PERSONAL NOTE

The Truth is never impossible; merely incredible. When we expand our personal awareness beyond the norm, all of Life's "mysteries" vanish. They become new truths made plain! Happily, Truth is no respecter of persons. That is why Visitors from Space have made contact with Earthlings from many different walks of life. Let us now consider some of those contacts, and discover what they mean to you, to me, and to all the people of Earth.

"SAUCER PEOPLE ON EARTH"

Part Two

The Contacts

The average person still is inclined to consider the subject of "Flying Saucers" as a huge joke. Mention the words to your next door neighbor and you will instantly know, from the reaction you get, what I mean.

That is regrettable. Flying Saucers are in no sense a joking matter. Flying Saucers are REALITIES. Interplanetary flight is a REALITY. And the Saucer People are also living REALITIES. I wish I could make these points even more emphatic. The time for joking is past. We must learn the true facts and the real meaning of the Saucers. And we must accept the facts for what they are.

NON-TERRESTIAL ORIGIN OF THE FLYING SAUCERS. Literally millions of people on earth have sighted Spacecraft. In fact, they have been seen by earthlings for countless centuries, and so recorded by astronomers and historians of all races and countries on Earth. All attempts to "debunk" the existence of the Flying Saucers in no way invalidates the authentic facts, carefully gathered from all over the world, which PROVE that Unidentified Flying Objects of amazing character, and of a non-terrestrial origin have been, and still are being seen.

Let's go backwards a bit in time to the year 1519. The place, Old Mexico. The Aztec Indians, under the rule of Montezuma, were in their glory. They had conquered most of the country, were rich and powerful. But they practiced HUMAN SACRIFICE to an extent never equalled by any race in the history of the world. This was something directly contrary to all the laws of the Space People (as well as to the law of their own great teacher, Quetzal-Coatl).

In order to end the evil practice and disperse the powerful Aztecs forever, the "Lord Thinkers" sent a series of mysterious and frightening "omens" to the king Montezuma. Omens included a prediction of the exact date on which the white men under Cortes, would conquer the Aztecs. A vision of the future gathered from the land of the dead by Montezuma's sister. And lastly, brilliant lights in the night sky. Let me describe those "lights" more fully.

On the eastern horizon of Mexico, appeared a tremendously large, brightly glowing object shaped somewhat like a triangle. It was so brilliant that it lighted up the whole countryside and could be seen from midnight till dawn for a period of FORTY DAYS!

Another strange omen was the mysterious "disintegration" of two stone temples (in which human sacrifice was performed) by some powerful ray coming from the Spaceship which hovered overhead. An account of all these happenings can be found in the ancient history books and legends of Old Mexico, showing that Saucers are not NEW.

Now let us move swiftly up to more modern times to the year 1952...to be precise, the night of July 29, 1952. The place, Miami Florida. There had been a flurry of "sightings" of Flying Saucers in the Miami Area during both June and July, so one young U. S. Marine photographer (now out of uniform) was alert and ready with his movie camera to "catch" a Saucer on film. PIC Magazine for June 1954, printed an article by Ralph Mayher, the determined young photographer who proved on film that Flying Saucers are REAL.

Mr. Mayher's movie film lasted a full three minutes. It showed a glowing, disc-like object in motion, which became closer and brighter in each frame of the picture. It moved with an incredible speed. How fast? Ralph Mayher sent his movie film to the University of Florida physics department for a calculated report.

7550 miles per hour...was their figure! That's at least 5550 miles per hour FASTER than any of our high-speed super-sonic jets! In his letter reporting the calculated speed of the object, the assistant Professor of Physics at the University expressed his belief that the "saucer" did not travel at this high speed for the full three minutes. Rather, it came into sight at a much SLOWER speed, then accelerated into tremendous velocity and sped away.

If our own world's fastest Guided Missiles are only capable of travelling at a speed of around 2,000 miles an hour; then isn't it only logical that these "U.F.O's" have an interplanetary origin... and do NOT originate here on this Earth at all?

Time: February, 1956. Place: Alameda County near San Francisco. Sargent Larry White of the Alameda County office saw some spectacular purplish "lights" in the sky, as he glanced up from his patrol car on Stonybrook road near Decoto. The lights were gigantic in size and could be seen for nearly 45 minutes between clouds. They looked like giant "railroad flairs" to Sargent White and others. The San Francisco newspapers carried the story next day.

Saucers are today's biggest "mystery". That is, they are a mystery to those whose minds are tightly closed against the Truth. But the Truth about Flying Saucers has been with us for "10, these many years." You need only seek and you will be astounded.

The Bible mentions them many times. It refers to them as the "fiery chariots of the Lord". Listen to this sentence from Isaiah 66:15, "For behold, the Lord will come with fire, and with his chariots..." And read Psalm 68:17, "The chariots of God are twenty thousand..." And do not overlook 2nd Kings, 2:11. It says, "Will he return from heaven as he went, by a whirlwind, and in a chariot of fire?" Aren't these "chariots" merely another way of describing the objects that Kenneth Arnold named "Flying Saucers"?

Ezekiel gives this fascinating account of Flying Saucers in Chapter 1:16 of the Bible. "The appearance of the Wheels and their work was like unto the color of a beryl (bluish green stone) and their appearance and their work was as it were a wheel in the middle of a wheel." (NOTE: Read all of Chapt. 1 of Exekiel.)

The fact is, Flying Saucers are continually appearing in greater numbers in different parts of the world (France, Russia, Mexico, England, Australia, as well as the United States). The question is, why? Whence do they come? and what do they want?

The inhabitants of other planets (both the etheric and physical people who live on other worlds) realize that we Earthlings have the atomic bomb and the even worse Hydrogen bomb. They know that all-out atomic warfare on Earth could wipe out the race of Man almost overnight. It could also have dire effects on the entire universe, since all things interact in the great Cosmic Scheme.

Not only might the Earthlings--in their stupidity--succeed in blowing themselves to bits; but they might also affect seriously the etheric regions which surround our planet and its stratosphere. The Ethereal Beings certainly have no intention of permitting such an etheric disaster to occur. Not if they can prevent it.

On at least a dozen occasions, the Space People have been known to land their Spacecraft and converse with people of Earth. And... at least eight persons from our Earth have assertedly been aboard their ships and had enlightening talks with the Saucerians. Three persons, Dan Frey, George Van Tassel, and Orfeo Angelucci, assert they have not only been aboard a Space Ship; but have enjoyed an actual RIDE in the amazing craft.

On August 24th of 1953, George Van Tassel of Giant Rock in Yucca Valley, California, was wakened out of his sleep around 2 A.M. The strange visitor who stood before him at the foot of his bed spoke to him, saying: "My name is Solgonda. I would be pleased to show you our craft."

"From the time I got out of bed, until I returned to it," says George, "Every time I thought of something to say he was answering me before I could speak the first word of any sentence. This proved to me their perfect ability to communicate by Thought Transference."

As they approached the Ship, George began to get "butterflies" in his stomach from about fifty feet away. On getting nearer, his hair seemed to want to stand up on end. (NOTE: Magnetic force-fields of great strength can create this effect.)

On entering the Space Ship the feeling immediately disappeared. Solgonda showed George around the Ship, demonstrating the various instruments used for celestial space navigation. Even the "engine" was seen clearly enough so that George could mentally grasp something of the advanced principle by which it operated. After about 20 minutes of sheer elation to say nothing of revelation, George was accompanied by Solgonda back to George's bed and the strange visitation was terminated.

What do these "contacts" tell us? Many things...strange to us and wonderful. Firstly, the beings from space are NOT warlike.

If they were, we'd have been annihilated centuries ago. No, they are here to help...not harm us. In fact, the very laws of the universe by which they live will not permit them to harm us. It is through helping Earth Man to understand life, and his right relation to the Cosmos and his fellow beings, that the "Lord Thinkers" of other worlds advance themselves in the great scheme of things!

Remember the planetary "Schools of Life". They are governed by a simple rule. The closer a planet is to the center of a given Solar System, that is, its Sun, the more intense LIGHT it receives from that Sun. The higher also are its spiritual vibrations. In other words, the inhabitants of such a planet are filled with light hence are more highly intelligent and spiritual.

Conversely, the farther away a planet is from its Sun, the less LIGHT its inhabitants are able to receive. Thus they are proportionately less intelligent and less spiritual than bodies nearer the Sun. By "spiritual" we mean EN-LIGHT-ENED, or more powerfully charged with the light frequency which carries the "desire" or the "will" of the One Great Light that runs the Cosmos.

Mercury is that orb nearer to the Sun than any other of the planets in our System. It is number One in order. Next in line of distance from our Sun is Venus. The next is planet Earth. Next is Mars, then Jupiter, etc., etc. This would put Venus one planetary Round ahead of us, and the planet Mercury two Rounds in advance of us. Mars, then, would be behind us in spiritual evolution or Enlightenment.

HOW TO SIGHT A "SAUCER". Flying Saucers have been sighted so universally that it is entirely possible that you might be fortunate enough to sight one or more of them in your own vicinity. I would recommend sincerely that you secure for yourself a small telescope, or at least a good pair of binoculars or "opera-glasses". (I never travel without them in my car). Carry them with you on your person every time you go to the nearby hills, desert or beach resort.

My technique for sighting Flying Saucers is basically similar to that used by such notables as George Adamski of Mount Palomar, George Van Tassel of Giant Rock, Truman Bethurum, and others. Here is the essence of the method, which I recommend to you:

1. Get away from large cities. There is so much light and atmospheric disturbance around big cities, it's practically impossible to detect any Saucer phenomena in the skies. Try to spend a full weekend in the country or on the desert. Your chances of sighting a disc will thereby be increased many fold.
2. Don't try to see Spacecraft during mid-day. Sunlight makes them almost invisible. Wait until afternoon or evening or night before scanning the skies. You might even prefer to hold your "Saucer Vigil" all night long, then sleep during the daytime. Remember, they glow at night (often resembling a full moon of reddish orange color) so you will be able to spot them quickly if they should happen to cross the sky in your vicinity.

3. If at all possible, go where the Flying Saucers are reported to have been seen by other people whom you believe to be reliable. This would be primarily the desert areas of California, Arizona, New Mexico etc., as these make the most ideal natural landing places.

4. Form a definite habit of following your inner feelings. Let the gentle voice of Intuition lead you to the proper place where a genuine sighting of a Flying Saucer can be made. Follow all leads.

5. Be persistent. Numerous trips to various localities might be necessary before you are rewarded with the amazing view you are now seeking. On the other hand, YOU may be one of the fortunate individuals who might not only see an interplanetary Spaceship but contact the beings within it also...and all this when you least expect it!

6. Do not be skeptical. This mental attitude cuts you off from the desirable attractive state of mind that is essential to success. Be open-minded. So many sightings are on record now by qualified observers, very little "blind faith" is required. With sightings now increasing instead of decreasing, your chances of personally seeing a "UFO" are getting better and better.

7. Familiarize yourself with the various kinds of sky objects that are most commonly mistaken for Flying Saucers but actually are not. These include (a) Weather balloons, (b) High altitude balloons or "Sky Hooks", (c) New type aircraft, (d) Unusual cloud effects. By knowing what these and other natural sky phenomena look like, you will be able to refute any arguments by "Saucer Critics" who may try to belittle your sightings by claiming you are not "up" on the new developments in Aviation and Science. This information will also enable you to recognize a genuine UFO when you see one. Remember too that the regular habit of looking upward "to the sky" will so strengthen your vision you will be able to see higher and farther.

You have only to see a single one of these amazing Spacecraft to know forevermore that they are not illusion, delusion, nor merely imagination. Nor are they simply "spots before the eyes" as some persons would have us believe. It is my conviction that Flying Saucers do exist and all men will see them in the Golden Age coming. In this monograph I have given you many vital links in the seeming mystery of Flying Saucers. If you follow the suggestions I have given you will be rewarded, in a wonderful way. Be bold. Intuitively, you KNOW flying saucers exist. All that remains is for you to sight one (or several at once) for yourself.

To you then will come a glorious NEW consciousness--an ecstatic feeling of dwelling in two different worlds at one time. This feeling will persist with you for days after your first sighting of an interplanetary craft. As a final closing word now I would remind you that sincere desire is in reality PRAYER. So if you wholeheartedly desire to sight a Flying Saucer, in due time you shall. It may not be tomorrow, but the day will come. When it happens, it will be one of the most thrilling days you've ever known on planet Earth!

Flying Saucers At Giant Rock

"FLYING SAUCERS AT GIANT ROCK"

Part One

Out of This World.

Dr. Nephi Cottam gazed in amazement at the glittering, glowing, silvery thing hovering motionless in the sky above him. He had never seen a space ship before. He was seeing one now, and he knew it.

The "Saucer" was about two miles above the ground. It had not been there a minute ago. Now, however, it was there and...it was REAL. Nephi had no doubt about that.

He had spotted the Flying Saucer a few seconds before, when it first appeared. Then it was only a tiny spot of bright light in the far distance; but as he watched in complete fascination, the "light" seemed to hurl itself across the miles of sky until it reached its present position. There it rested quietly above the crowd below.

Nephi smiled. It was really true. He was seeing a Flying Saucer. It wasn't merely "imagination", nor was it a case of having "spots before the eyes". That bright circular object in the sky was every bit as much of a reality to him as was the light bulb in his bedroom lamp at home. If that light bulb was "real", so was this Saucer. He turned to the man next to him.

"What does that look like to you?" Nephi asked.

"Flying Saucer!" the other man said.

"Yes," Nephi remarked, "It's a Saucer."

But then, that's exactly what he had been hoping to see. That is what several thousand other people at this meeting had been hoping to see. Now they were happily sighting a ship from another world.

It was the exciting climax to a never-to-be-forgotten day at Giant Rock Airport in Yucca Valley, California. The date was Sunday, March 12, 1955. The latest interplanetary Spacecraft Convention was going on, and people from all walks of life were on hand for the tremendous occasion.

George Adamski, author of "Flying Saucers Have Landed", was a guest speaker. So was Frank Scully ("Behind the Flying Saucers"), Orfeo Angelucci and Truman Bethurum--who have been aboard the space-ships--were also there. George W. Van Tassel, author of the startling book, "I Rode a Flying Saucer", was another of the many notable Saucer authorities who were present at the Convention.

It was late afternoon. Nephi looked up again. The Saucer was still motionless and silent like a flashlight in the sky. There

were no clouds to obscure it from view. All you had to do now was look up and you would see it. Those intelligent beings up there certainly knew what was going on down here at the "Rock"; but in spite of the fact that this Convention was "in their honor", they made no attempt to land their glowing Space Ship.

All at once, the Saucer accelerated suddenly, then went straight up higher and higher until finally it was lost to view. The crowd began dispersing, for the "show" was over and tomorrow was a workday. Nephi Cottam returned to his home in Los Angeles.

When I talked with him a month later, the memory of having "sighted" an actual Flying Saucer was still fresh and clear in his mind. Since I had not been able to attend the Spacecraft Convention myself, I got as complete an account of the event as I wanted, from Nephi. I have known the doctor for a number of years. He is the originator of a unique and wonderful method of healing known as "Craniotherapy". This is a technique for releasing Brain-Energy by physical and mental means.

Past experience has proven Nephi to be a remarkable individual. Through meditation and intuitive insight, he has gained access to healing knowledge which, if the world knew about it, would largely do away with the need for "going to doctors". The individual would merely apply a sort of "Self-Therapy" and remain ever healthy.

Nephi Cottam was working for the good of mankind, along the lines of Truth. So there was no reason for me to doubt his integrity. All that I needed was more facts.

My personal knowledge of Giant Rock Airport and the men and women who lived at the "Rock" was, at the moment, rather sketchy. I knew only that the "man in charge" at Giant Rock was one George W. Van Tassel. It was my impression that George operated a private Airport there in Yucca Valley, and was a licensed airplane pilot. Also, I was aware that George had written an account of his "contact" with the Space People, and the ride he had in one of their inter-planetary "Air Ships". That, in a nutshell, was all I knew about the mysterious activities of "George's Group" at Giant Rock. Remember, I had never been there.

It seemed to me, however, that George Van Tassel was one person who understood some things about Flying Saucers that most people (including yours truly) didn't know. If George was actually in personal contact with the Saucer People, then he logically must have received certain information from them which to us would be tremendously vital. Reasoning along these lines, I concluded that a "Field trip" to Giant Rock was in order. I asked Nephi if he could join me.

"Surely," he replied, "How about leaving Los Angeles at six A. M. on May the 8th?"

"Fine, I agreed. An early start was always a good idea. It was quite a distance out to the desert from the city center. Then too, we planned to return to L.A. in the evening of the same day if all went well.

On Sunday morning, 8 May, we drove to Giant Rock. By taking the Super Highways which had recently been completed between L.A. and San Bernardino, the trip to Yucca Valley--although more than a hundred miles--seemed like a "breeze" to us. Almost before we knew it, the dry desert land was stretching out in front of us. Soon we found ourselves bumping over an unpaved dirt road in the direction of the private Airport. The terrain became more scenic. Instead of uninteresting flat desert, huge rocks and boulders of all sizes lay scattered about.

Nephi pointed to a small sign at an intersection in the road. It read, "Giant Rock Airport". We followed it. Abruptly we came to another sign which said, "George's Gang Welcomes You". Then we saw the "Rock". Several "stories" in height, Giant Rock was aptly named. I sensed the immensity, the strength and majesty of its presence. Although no match in size for the famous Rock of Gibraltar, Giant Rock was, for all that, quite a "pebble" in its own right.

As we drove up to the base of the Rock, a man approached in response to my friendly greeting and wave of the hand. He was a well-proportioned, intelligent looking individual. I mentally catalogued him as a sturdy "salt of the earth" Dutchman.

We introduced ourselves, and the man smiled pleasantly. "I'm George Van Tassel" he said. "Make yourselves at home, and I will show you about in a few minutes."

I parked at one side of the Rock. We got out, stretched, then looked around. Not many other people in sight. Maybe a "baker's dozen" or so, including us two. There was, I realized, no "Convention" of any kind going on now. That, in a way, was fortunate for us. There would be no swarming crowds of people all trying to talk to George at the same time. He would have more time to converse with us.

George invited us into one of the few small buildings located close to the Rock. It was designed to serve as a "short-order" Cafe, for the conveniences of visitors. Behind the counter stood a woman, whom George introduced as his wife. The walls of the cafe were covered with photographs and drawings of spaceships of every description. I stepped over to them, noting all details as carefully as possible. One of the pictures showed a great cloud shaped like a huge bowl, hovering about a half mile above the earth. It was clear that the "cloud" was more than it appeared to be. George explained to us:

"That is actually a Saucer camouflaging itself within its own force field of energy. To our physical eye it looks like a large, swirling cloud."

I glanced quickly at several of the other pictures. A number of them bore the name and copyright notice of George Adamski. There were the well known photos of saucers passing between the earth and the moon, with the moon in the background. Also, telescopic pictures of a giant carrier ship, often called the "mother ship". It was shaped like a cigar. The pictures were amazing.

George seemed interested in us. He began answering some of our questions. When he spoke, you got the impression he was speaking from personal experience. Everything he said fitted together like links in a chain. Nothing seemed to perturb him.

"Are the Saucers interplanetary?" I asked, "Or do they come from some Government on Earth?"

"They come from other planets," George said. "Mainly from Venus. Scientists on Earth have not captured the secret of interstellar travel, which is simply based upon use of FREE Energy. The Space People have found out how to channel that power."

"FREE Energy," I remarked, "Isn't that what Walter Russell was talking about in his book called 'The Secret of Light?'"

"Yes, there is a very good description of the secondary effects of Light in that book. Light is really the basic Universal Power. It passes constantly through your body, maintaining life. It causes planets to spin, nebulae to evolve, suns to shine, and really runs the whole universe."

Nephi and I both nodded our heads to show that the idea made sense to us. We felt ourselves to be on the verge of some truly tremendous discoveries about Life.

"FREE Energy," continued George, "is Free. That's where the rub comes. Imagine, no more light bills to pay nor gasoline to buy. No more special money interests. All you can use would be free. They can't patent the power that runs the Cosmos! Everyone would be using FREE Energy. It's so simple any good mechanic can make the equipment for utilizing it in a million ways!"

"That would upset our world economy," I commented, "Imagine, no money system!"

"Authorities are trying hard to prevent the inevitable from happening," George said, "That's why they're hiding their findings about Flying Saucers. They are mortally afraid that the public will find out about the FREE Energy that powers the universe!"

It was easy to see that the "FREE Energy" was a bombshell of no little proportions. No wonder the real facts were being kept hidden from the man in the street. The story of Keely's motor flashed to mind. I recalled that John Worrell Keely, a lonely inventor of Philadelphia, Penna., had developed a motor which generated its own

power after having once been started. If allowed to continue running it would do so until the bearings wore themselves out!

What happened to Keely's engine? It had one disadvantage. Unless Keely himself was there the engine would not operate. So the money-backers lost interest, and Keely faded into obscurity, a disillusioned man.

Nikola Tesla, the famed wizard of electricity, also stumbled onto the secret of FREE Energy. He built a working model of an engine, to demonstrate a simple form of perpetual motion. Money-interests got wind of it, however, and wrecked his laboratory.

Bell Telephone Company recently developed a "Solar Battery" consisting of a series of flat crystals which store up energy from the sun. Though crude, this is a step in the right direction of FREE Energy.

I do not doubt that the secret will be rediscovered and used again by man to speed his spiritual progress. Occultists are now aware of the basic principle: Intercept the lines of light energy from the sun, and you bring about a rotation movement. This is how planets revolve. Motors do likewise.

"Would you care to see our room under the Rock?" George asked us. We assured him that we would be happy to accompany him there. I had a hunch that much more knowledge was about to be revealed.

"FLYING SAUCERS AT GIANT ROCK"

Part Two

"Wisdom of The Cosmos"

It was midafternoon. The desert sky was intensely clear and blue. The air was fresh and exhilarating. Dr. Nephi Cottam and I followed in single file behind George Van Tassel as he walked out of the "Cafe" toward the "Communications Room" underneath Giant Rock.

George opened a door leading down a series of stone steps into the "Room". It was a spacious place, and gave me the eerie feeling of being inside solid rock. The ceiling of the Room, however, consisted of a small portion of the bottom of the Rock. The builders had dug under one edge of the Rock, scraped out space for a room, then built up walls around it.

Other visitors to the Rock--ten or so in number--joined us as we descended the stone stairs into the Room below. Several chairs were available there, so all of us sat down in a semicircle around the main speaker, which of course, was George.

He began speaking, and we listened.

"The scientists of Earth are majoring in the science of destruction, in separation, disintegration and taking things apart. According to the Space People, that is the wrong approach to the mysteries of Creation.

"We, as a people, shall only attain supreme Knowledge and the wisdom of the Cosmos by constructive efforts, by putting things together. Our science is in error.

"Nuclear energy--atomic power--is being used so negatively that our whole planet is endangered. Every explosion brings about a reaction in the lines of force maintaining planetary balance or equilibrium. Each explosion charges our atmosphere with radioactive debris that will remain poisonous for thousands of years.

"The Space People are aware of these dangers and, for the sake of humanity on this planet as well as the life on other worlds, are seeking to nullify the effects."

One of the group had a question: "What do the Space People look like? I heard that they are smaller than we are."

"Yes, they are 'Little People' when they come from a planet with a gravitational density greater than ours," George said.

"On the other hand, many planets have produced beings of our average size. Some Solar Systems beyond ours produce people whom you or I would consider to be giants.

"The teaching of the Church is that there is only a 'here' and a 'hereafter'. Here means of course, the earth. Hereafter refers to Heaven or to Purgatory, a place where souls wait to be let into Heaven. All such dogma is wrong because it seeks to limit the Creator. It tries to confine God to only two life levels, whereas the fact is that people are coming to our level (Earth) in space-craft from many different levels throughout the Cosmos.

"'In my Father's House are many mansions', Jesus reminded us. Substitute the word 'planets' for 'mansions' and you get a much clearer picture of what he meant.

"Visitors from space have told us that they have found human life everywhere. On many planets in other Solar Systems the people are advanced so far beyond us earthlings in Culture and Science, it staggers the imagination. We of Earth simply can't comprehend how anybody could be more 'advanced' and 'intelligent' than we are.

"But what are the facts? Is not the whole economy of the nations of Earth based on manufacturing weapons of destruction, planes, jets, guided missiles, battleships, tanks, and atomic or hydrogen bombs? Take away the iron fist of the Military and the nation would, supposedly, be doomed."

At this point George paused briefly. He seemed to be waiting for another question from the group. I gave him one.

"Why are the Saucers coming to our Earth?" I asked, "Is something big impending?"

I had known for some time that Flying Saucers have been landing on Earth in continually greater numbers. What did this mean? What did the Saucer People want? I felt that George might supply the key.

"A planetary cataclysm of Terra (the Earth) has been foreseen by the Space People," George said. "At the present time we are not only on the pinnacle of a Minor Cycle, which is approximately every 2100 years, but are also in the middle of a Major or Master Cycle (about 26,000 years) at the same time. This brings about a balancing of the planetary forces.

"In the Christian Bible this is called the time of the great earthquake, or the 'shaking terribly' of the earth. (For the full story, see Monograph No. 5.)

"According to the Space People, that is the time when a 'polar flip' will occur, due to the gyroscopic action of the earth. When this event takes place, many of Earth's inhabitants will be taken out of physical embodiment. These will be the mass-minded who have no interest in matters of a spiritual or cosmic nature.

"The other people of Earth--those who have diligently sought the 'Light' and endeavored to become better human beings--will be taken up in Flying Saucers by the Space People, and protected by them until

the planetary catastrophe is over.

"Then," continued George, "the 'elect' will be returned to Earth to bring in the Millenium, the thousand years of peace."

This, I recalled, tied in with the Biblical prophecies of the 'last days' in which John foretold of a "new heaven and a new Earth". This new Earth would be under the law of the spirit, which is the "New Dispensation" mankind has long awaited. "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away." (Rev. Chapter 21:4)

The idea of our Earth making a sudden 'shift' of its axis at periodic intervals, has long been known to Occultists. Those who study the ancient teachings of man--the Ageless Wisdom--have long been aware of "Cataclysmic Cycles" which occur regularly in the history of most planets.

There is, in fact, a definite pattern of periodic "destruction", which is Nature's own doing. As you know, each planet begins its human life expression with what is called a "Root Race". Each Root Race lasts for about 5 million years, then is almost completely annihilated by either water or fire. Then the next Root Race begins, from a small nucleus of persons who were spared.

It is said that each planet of our Solar System is allowed to have 7 Root Races. (I am not speaking now of the white race, colored race, yellow race, etc., but rather the Race of Man itself). We of this day and age are members of the 5th Root Race.

Root races of odd number are subject to destruction by fire. This, in modern times could mean not only physical fire as we know it, but could include the Hydrogen Bomb which creates a holocaust of flames. Strangely enough, if we look backwards for a moment to note how the previous Root Races perished, we see the following: The first Root Race--the Adamic--was cut in two by a "fiery sword", which drove Adam and Eve out of the Garden of Eden. This "fiery sword" was in reality a fiery comet that approached too close to planet Earth and became drawn into our terrestrial atmosphere. The comet with its "tail of fire" looked much like a burning sword of vengeance.

The second Root Race (a Sub-Race of the first) was undoubtedly the Noaic Race, or Noah and his people. As you realize, most of the human race in the time of Noah were a bad lot, having lost sight of their own spiritual heritage. Noah, of course, was the exception; hence he and his faithful followers were spared when the Deluge came.

Ancient writings tell us that Lemuria became the third Root Race after the Deluge. Volcanic disturbances of the Earth caused such upheavals of the oceans that the continent of Lemuria was swept over by the Pacific Ocean...wiping out most of the Race.

The Fourth Race Atlanteans, we learn, met a watery fate at the bottom of the Atlantic.

According to the Great Pyramid, we are now living in the Saturday Night of Time. It is, actually, the beginning of the "Time of the End" for humankind on Earth. This means that some colossal changes are due to take place before January 1, 2,000 A.D.

There is, however, no need for panic. So far as you and I are concerned, there is no doubt that we shall be advised as to the proper "protective action" to take, long in advance of any such Cataclysm as we have described. As long as we remain loyal "Seekers of the True Light" we need never be frightened by anything that might happen on Earth. In other words, the quality of our thought IS our protection. Good thought, plus good feeling can build strong armour.

Noah, you remember, was warned many years before the Great Flood happened. As a result of his "advance information" Noah was in a position to prepare for what was to come. We should then, cast out all fear or terror from our hearts, and live more and more from "the Spirit"--from the Great God-Presence within us.

While all of us had been relaxing, George was setting up a tape-recorder on a small table in the center of the room. He was now ready to play-back one of the tapes for us to listen to. These contained "messages from outer space" which had been received telepathically by George Van Tassel. It was interesting to learn how this was done. A powerful beam of light was focussed by the Space People (who were in a giant Carrier Ship, positioned on a special "Space Station" 800 miles above the earth) upon George who acted as "receiver". The mind vibrations or "thoughts" of the Space Men were transmitted through this light--which was known as the "Omni-Beam"--in the form of mental images. George then made a "vocal translation" of the ideas he received, and spoke them onto the magnetic tape.

"This first message", he informed us, "was received by us on April 16th, of this year. It is from an individual by the name of Desca. The amazing thing here is that we received this information concerning the harmful effects of the "Polio Vaccine" several weeks before the authorities learned of its danger and withdrew the Vaccine from the general public. Here is the message:

"As most of you know, one of the Ten Commandments states, 'Thou shalt not commit adultery!' In the twisting of words and meanings this has come to be believed in as the violation of marriage laws; human marriage laws of civil origin. This law could have read, 'Thou shalt not commit DILUTION.' The adulteration of anything is the mixing of anything else with it.

"Your propaganda machines there have carried information about the new Polio Vaccine. Whatever it be that is injected into the bloodstream is DILUTION and violation of the commandment, 'Thou shalt not adulterate thyself!'

"The blood is the life of the physical body. Adulteration of the blood changes the frequency, the vibratory rate, and can be the cause of obsession, mental failure, and nerve failure. The blood is the result of a series of chemical-electrical changes in the laboratory of the body. Sudden additions of anything to the bloodstream may, in some cases, bring about a prevention of some particular disease; but the effect of injections of any chemical into the bloodstream will, sooner or later, cause REACTION that will be of a more deadly potential than the original disease could have been. If these Vaccines could be assimilated very gradually over a long period of time the body chemistry could adjust itself to them.

"The new Polio Vaccine (Salk) has not been sufficiently tested for a period of time that would determine conditions that will be apparent in the near future. The ignorance in medicine upon the Earth is in assuming that every individual responds equally to the same application. This will be proven in many ways. The present formula for Polio Vaccine will cause an increase in heart failure, tuberculosis, spinal meningitis, dropsy, and other numerous kidney ailments, and in the long run will bring about an unbalanced mental condition."

Desca's foresight was proven accurate when our Government suddenly clamped down on distribution of the Vaccine in the U. S. Restrictions now, have been made more stringent as regards making of the Vaccine; but nearly a hundred deaths in our nation could be traced to use of the Vaccine at that time.

The next message was extremely fascinating. It was received, George explained, from a planet outside of our Solar System. I shall not try to recall the entire message verbatim. However, the gist of it was that the people on that planet were 400,000 years ahead of us Earthlings in scientific and cultural development.

The geography of their land was flat, whereas our Earth has mountains and hills. All homes and factories on their planet were dome-shaped and made of a translucent material. Machinery, powered by FREE Energy (Magnetic Light-Power) did most of the work, under the watchful eyes of one or two men instead of many men.

Children were educated at home by the parents, who taught by Audio-Visual means, from data issued from a central source. It was considered unnecessary for anyone on that highly evolved planet to use "words" in communicating ideas to each other. Instead, a method of mental telepathy, called "Telethot" was used by the vast majority. For this reason, most of the dwellers of that planet could not speak. As they see it, the mouth was made to eat with, and the brain or rather mind was made to speak with. However, at least one individual in every family was taught to speak in sounds as we do.

After the above mentioned message was heard by our group, George indicated that he expected to have more tape-recorded messages by the next weekend. All who so wished were welcome to return then and hear them.

Nephi and I arose. It was time to be on our way back to the big city. Stepping over to the chair where George was seated, we bid him farewell and thanked him heartily for all his illuminating discourses.

He smiled and shook our hands in a wonderful feeling of love and kinship. We turned and walked up the stone stairs to the door which opened to the desert. Outside, the air was bracing. Pausing briefly, Nephi and I inhaled deeply. This visit to Giant Rock had been a most memorable experience. Much new and vitally important data had been presented to us here. For one thing, our concept of the universe had been expanded tremendously. Now we saw God's universe as a creation of vast and magnificent proportions, with not just two life levels to consider, but a universe with myriads of intelligences of varying levels of life. Suns beyond suns. Planets beyond planets. Solar systems beyond solar systems. Yes, even worlds within worlds...and our Earth but a speck in this mighty universe!

Yet every single electron in an atom is important to the perfect functioning of that atom. Likewise planet Earth is important in the smooth working of the Creator's Master Plan. We are, you and I, in a kindergarten as it were. Our goal is spiritual evolution into a more perfect expression of Life, Love and Light. But we can grow up and out of "kindergarten" if we put our minds to it, just as we grew out of lower grades in school and advanced to the higher grades. If we do this with a conscious will and desire, we'll make much faster progress on the UPWARD PATH leading to the PERFECTED MAN AND WOMAN.

Then, at the proper time, we'll be invited to enjoy a new and thrilling life on a more highly evolved planet than Earth. And, as much as we love Earth, we'll know that our next step upward will be to an even more ideal world than we have known here. We'll realize that ALL WORLDS are essential units in the great design, and each is worthy of our love and our understanding heart.

Yes, this visit with George Van Tassel had filled our minds with many vital new thoughts. The coming gyroscopic SHIFT of the Earth, the amazing concept of FREE Energy, and the idea that some of the inhabitants of other planets possess culture and intelligence that may be millions of years in advance of ours...Nephi and I looked at each other and smiled. Both of us felt raised in consciousness. It could well be that this was only the "beginning" of the many glorious adventures which awaited us with the Space People themselves.

We got into our car and pointed it in the direction of Los Angeles. As we drove away, we knew we would remember Giant Rock!

Secrets Of The Saucer People

by

MICHAEL X

Mystic Monograph No.3

"SECRETS OF THE SAUCER PEOPLE"

Part One

The Venusian

Several weeks had passed since my eventful trip to Giant Rock (See Mystic Monograph No. 2, "Flying Saucers at Giant Rock") and as yet I had not been privileged to personally contact any of Earth's "Interplanetary Guests".

I was, however, hopeful. When the time was appropriate for me to meet the Saucer People, the meeting would come about in as natural and normal a manner as possible. I knew that it was up to me to take the "first step". How that was to be done I was not at all sure. So I meditated on the problem.

The answer came sooner than I expected. It was so simple as to seem almost childish. Here is the direction I received, as to how I should communicate with the Saucer People:

We live in a mental universe. That is, all space is filled with "mind-stuff" or Ether which can transmit mental vibrations, in the same manner that it transmits radio waves from the Broadcasting Station to your receiving set (radio) at home.

Occultists know that by utilizing the personal energy known as "Vril" it is possible to raise the personal vibrations to an ultra-high frequency or speed. Thought vibrations may then be conveyed on that high frequency to any region in our Solar System.

As most students of esoteric science realize, there are SEVEN ETHERS. Later on, we shall study these Ethers more closely. Four of these Ethers are called, respectively,

- (1) The Chemical Ether
- (2) The Life Ether (Prana)
- (3) The Light Ether
- (4) The Reflecting Ether

The final three Ethers (5, 6, & 7) are of such a sacred, spiritual nature that only the highest Adepts are permitted to utilize them for mystical and occult purposes. For purposes of contacting the Saucer People, one need only make use of the Light Ether. The reason for this is that they are "Beings of Light" in the fullest sense of the word.

If you wish to listen to a particular radio program on your radio, you must "tune in" to the proper wave-length or frequency. Otherwise you would get a "scramble" of all the various radio programs...that is, you'd pick up portions of different programs as you

turned the tuning dial. Only by turning to the right station could you expect to receive the message you desire to hear.

The Saucer People communicate by THINKING ON THE WAVE-LENGTH OF LIGHT. That means we must use the LIGHT ETHER to contact them, as well as to receive messages from them. Ordinary "radio-waves" are transmitted through the Reflecting Ether, NOT the Light Ether. We are concerned only with use of this Light Ether for transmitting THOUGHTS.

So fascinating is this subject of the Seven Ethers, I could write for hours about them and their great importance to us all. That, however, I shall have to leave for another Monograph at some future time. At this point, I believe you would be interested in knowing the details of my unique method of communicating with another world.

On any clear night, look up at the sky and you will quickly see Venus, for it is the brightest star in the sky. Some people call it the "Evening Star"; others refer to it as the "Morning Star", for it is easily visible at both night and morning.

I had long believed that mental communication between planets was not only possible but that it would someday become almost as simple as our "long-distance" phone calls. So I set about the business of attempting to reach the planet Venus by means of Telepathy.

On the night of May 22, 1955, I gazed up at Venus and projected a vibratory "beam of light" from the center of my forehead to the mysterious planet whose influence upon Earth is far greater than humanity can imagine. In the words of the ancient book, "The Commentary", Venus is our Earth's spiritual "prototype". Every sin committed on Earth is felt by Venus", says the Commentary. "She is the Guardian Spirit of the Earth and men. Every change on Venus is felt on and reflected by the Earth.

"Every world has its 'parent star' and 'sister planet'," continues the Commentary. "The Earth is the adopted child and younger brother of Venus, but its inhabitants are of their own kind...all sentient (conscious) complete beings are furnished, in their beginnings, with forms and organisms in full harmony with the nature and states of the sphere they inhabit." It was in line with these ancient teachings that I looked upon Venus as being Earth's teacher.

I was, during this attempt at "space telepathy", comfortably positioned on the roof of my house. There I was least liable to disturbance while concentrating. Also, it was quiet and dark so that I had no difficulty in focussing my thoughts. The message I decided to "transmit" to Venus was this:

"MICHAEL OF EARTH CALLING VENUS. COME IN VENUS. COME IN VENUS. OVER."

This is the established "form" of communication language used by all Airline pilots on Earth. It is standard radio practice. I was, of course, not at all sure that interplanetary beings referred to their own planet as "Venus" or to ours as "Earth". There would be, however, a mutual "meeting of the minds" as to what I meant. This I was sure of, since I would "transmit" in the form of Mind Images and Pictures rather than words.

It was 10:00 P.M. For nearly one half-hour I concentrated on sending my message. I would transmit my thought for 5 minutes, then wait receptively for 5 minutes. There was no response. At about 10:30 P.M. I gave the whole thing up for the night and dozed off to sleep on a cot which I had hauled up to the rooftop for this special purpose.

At 2:00 A.M. an amazing thing happened. A voice was calling my name. "MICHAEL, MICHAEL..." It kept saying, in penetrating, melodious tones. It was an extremely beautiful voice, clear and bell-like. Instinctively, I opened my eyes. No other human being was in sight. I was entirely alone on my cot in the darkness and only the stars and the shimmering moon were visible.

A vivid dream, I thought to myself as I closed my eyes to resume sleeping. Then I knew this was not a dream but a reality. A voice was speaking to me slowly and distinctly, repeating my name. I responded by means of Mental Telepathy as best I could.

"Who are you?" was all I could think to say, for I still thought it possible that my mind might be "playing tricks" on me.

"I am a human being, much like yourself." The voice replied, after what seemed like a delay of nearly a full minute. "My planet is the one you call 'Venus'. We have intercepted your communication by Telethot, and are pleased to make this contact with you."

The voice of the Venusian continued: "We have known of your work along the lines of Occult Science," he said, "and consider it good. You and your companions are moving in the right direction. It is our purpose to guide you, from time to time, without superimposing our will upon yours. I am not at liberty to reveal certain details in regard to this planet; but questions of a general nature can be answered freely by us."

"Tell me something of your science and culture." I inquired, "Also, what is your means of power for interplanetary flight?"

"We are nearing the middle of our 7th Planetary Round", replied the Venusian. "You people of Terra (Earth) are in the midst of your 4th Round. In simple terms, this means we are nearly fifteen million years ahead of your planet in respect to global evolution. As you know, every planet begins its life in an etheric condition. Gradually, after several millions of years, it evolves into a sphere of physical matter that is hard and condensed. Still later, when the

planet reaches its final Round, there is a reversal of the trend. It returns again to its original state of soft, etheric matter.

"Consider a baby on your Earth;" said the Venusian, "At birth the baby's body and bone structure are extremely soft, pliable and almost 'fluid' in consistency. As the body matures, the bones harden and become more brittle. The entire form becomes tougher and appears more solid and lasting.

"Planets too, are bodies. They are also 'beings' on their own life level, having an evolutionary path of their own to follow.

"It is almost beyond the comprehension of Earth beings to grasp the tremendous Knowledge that our people of 'Venus' have attained down through the milleniums of Time.

"Perhaps the first fact you should become aware of, insofar as we Venusians are concerned, is that all of our people have long ago discovered their correct relationship with the 'Father' of the Cosmic Universe in which we are living. We know and use as a working principle, the immense power of the Creator's Will which is expressed through the action of physical light in all Galactic Universes."

There was a long pause. Apparently the speaker desired his last thought to "sink in" for it was five minutes before his next idea came spinning across the thousands of miles between himself and me.

The next thing he said was, "Michael, am I clear? Are you getting tired?"

I immediately replied that I was not tired and that I was receiving his thought clearly, and would he please continue?

"The 'will' of the Creator is eternally active in all his creations," explained my Venusian teacher. "His 'will' works through Man, by means of the 'light' within that 'lighteth every man that cometh into the world'. This is the positive or spiritual power in Conscious Man and Woman.

"The Mystic purpose of all created human intelligences is to actively express love, which is the stabilizing power that harmonizes the impelling power of 'will'. This brings about a balance---and is the primary law of the entire Cosmos."

As he said these things, I found myself unconsciously 'linking' them up with one of Christ's mysterious expressions, "The Father works, and I work". Everything in the Cosmos was seeking fulfillment --balance--rest.

"What you call 'motion' is the natural result of a universal need in all material things, to achieve a condition of balance. It is through 'voiding' certain opposing forces, that all things are able to move. When the resisting energies have been fully 'voided', motion

then ceases automatically."

To the Venusian, the ideas he was presenting were "elementary" but to my mind they seemed at least slightly "bewildering". He had an entirely different way of thinking and as yet I was not prepared for it. His mind thought in terms of PRIMARY CAUSES, all based on Cosmic laws, which are entirely TRUE in essence. We of Earth, for the most part, are not centered in true cause, but are "off-centered" in EFFECTS. In other words, we know HOW many things happen, but we haven't the slightest idea WHY they happen.

For several days prior to my "telephone" contact with a being from another world, I had been making up a "list" of questions to ask such a being. As you of course realize, certain questions which deal with matters beyond our immediate scope of interest, or which are considered "restricted" by the Space People, were not included in the list.

However, I did include a great variety of questions. Most of them are direct and simple. Some were complex and deep. When the Venusian mind-waves reached mine, these are some of the questions I asked and the answers I was given by my instructor:

QUESTION: "What do your people (The Venusians) look like?"

ANSWER: "Venusians are of two sexes, male and female, as on your planet. Many of our Adepts are androgynous, having both masculine and feminine polarities perfectly balanced in the physical body. Our facial features are somewhat different, being smoother and broader, especially the forehead. Centuries of mental telepathy have produced our characteristics in this respect."

QUESTION: "Physically, then, you resemble to a considerable extent, a 'humanoid'?"

ANSWER: "Yes. Our average height is 5'-7". However, there is a difference in bodily weight and structure as compared with Earthlings. If you should come to our planet you would weigh slightly more than you do on Earth, to compensate for the fact that our planet is only 80% as large in mass as your Earth. Our bodies are more etheric, in keeping with the evolutionary stage of our planet and are therefore lighter in weight than yours. The atomic structure is less dense and the radiation of the 'light within' is greater, enabling us to appear young and beautiful at a much greater age than you of Earth are yet able to appear. The humanoid form is found on almost every habitable planet in space. The big difference between planets is largely in the mental and spiritual development achieved."

"SECRETS OF THE SAUCER PEOPLE"

Part Two

Secrets of The Universe

QUESTION: "Do the 'visitors' from outer space all come from your planet Venus?"

ANSWER: "Most of the Space People who have landed on Earth do come from Venus; many are from Mars. A great many extra-terrestrial visitors also have come from other densities in the Cosmos. Some have even come from other Solar systems than ours. They were on exploratory flights."

Q: "Is interplanetary flight as dangerous and difficult as it appears to be?"

A: "This depends. If you try to conquer space with 'rocket-power' or 'atomic engines' it would be utterly disastrous. A space flight powered by FREE Energy would be an entirely different matter. You would be sure of getting to your destination because you could depend on never running out of fuel since it is available in all parts of this Solar System. More important, by using FREE Energy, you would be able to get back to the original point of departure. Space People have been flying between planets for thousands and thousands of years. To us it is essentially a simple matter, and it is extremely rare that any of our ships are lost through space accidents.

Q: "Such accidents do occur?"

A: "Yes, though infrequently. As long as our space navigators stay within the vortex of this particular Solar System, little danger exists. It is when flights are made between separate universes that miscalculations may be made."

Q: What do you mean by 'vortex'?"

A: "A vortex is an energy field which has the shape of a whirlpool or spiral. In our universe, the Sun radiates the 'Master Vortex'. This produces lines of magnetic force extending to the outermost ends of this Solar System. Within the Master Vortex is the sub-vortex of Mercury, Venus, Earth, Mars, Jupiter, Saturn, and so on. All of these small vortices within the Sun's vortex are known as the 'Great Serpent', or the 'Solar Phalanx'. Space navigators as a rule stay inside of the Solar Phalanx."

Q: "How do Flying Saucers fly?"

A: "I assume you mean our Space Discs. We also call them 'Fire-Ships', because of their glowing, fiery appearance in operation. The means of propulsion is simple enough to understand IF you first grasp the principle of the 'Master Vortex'. A space Disc moves through

space by generating a small vortex of its own, within the ship. This vortex of energy is a miniature 'force field'. It is produced and sustained by the great vortex of the Sun itself. When we extend this force field outside of the Space Disc, its lines of magnetic force cut across the primary lines of the Sun's Master Vortex. The effect of this is brilliant, glowing light. Also, the Space Disc instantly goes into motion, following the lines of the Great Vortex. It is trying to 'void' itself by moving from the negative phase of the Vortex to the positive."

Q: "How can the Saucer People remain alive inside a Space Disc, if the Disc becomes a glowing, fiery light?"

A: "There is an opposite polarity between the outside of the Disc and the inside. This creates the effect of hot light on the outer surface or 'skin', and gives a reverse effect of 'cold light' on the inside surface. To simplify this in your mind, you need to know that force always moves--not in straight lines--but in circles, so that it always returns to itself. Within our Spacecraft, cold is opposing heat so we remain cool instead of being as you say, 'cremated'."

B: "What does the surface of Venus look like? Is it hot, 'sand-blasted--that planet that our astronomers think it is?"

A: "No. The scientists of Earth are quite mistaken about that. Venus is extremely verdant and luxuriant with vegetation. It has, however, a predominant blue color whereas on Earth the leaf color is green. Our atmosphere is heavier than that of Earth, so we are protected from excessive sunlight. Because your scientists could not see through our atmosphere, they assumed the worst."

Q: "What causes the rotation of the planets?"

A: "Each planet is surrounded by its own smaller 'Sub-Vortex' or force-field. This field is operative within the larger field of the Sun. As a result, it intercepts the lines of force of the Master Vortex--causing the planet to manifest MOTION in an effort to escape from an unbalanced energy condition. So the sphere rotates."

Q: "Is that a form of perpetual motion, or FREE Energy?"

A: "Yes, it is FREE Energy, or the power that runs the universe we live in."

Q: "Is there a simple key to use in order to understand HOW this FREE Energy works?"

A: "The secret lies simply in gaining a basic 'working knowledge' of Vortexya---that is, the principles of Vortices."

Q: "Do the Venusian people utilize FREE Energy in other ways, besides propelling their Spacecraft by means of it?"

A: "Yes, nearly all the advanced intelligences of the space worlds make use of the universal power of Vortexya in countless practical ways. We use Free Energy to run our factories, light our dwellings, propel our vehicles, and perform a million other necessary services for us. For instance, in our homes it produces light without the need for any containing globes whatsoever."

Q: "Will you explain the method? As you know, we on Earth use light bulbs which have the air extracted from them so that a wire filament can burn or glow within the vacuum, thus producing electric light. Do you have a simpler method of creating light?"

A: "Indeed we have. There is no need for 'wires' or 'bulbs' or vacuum conditions when you cross magnetic lines of force at right angles. That produces the same kind of light as the 'daylight' of nature. It is the Light Ether manifesting itself visibly. We Venusians use this natural form of light in all of our buildings, which, incidentally, are semi-spherical in shape, and formed of a hard, translucent type of plastic."

Q: "Can you tell me why your Space People are coming to this Earth, and what they desire of me and my fellow beings?"

A: "We come to guide Mankind on Earth into the more harmonious, spiritual life. Our purpose is to show Earthlings the secret of all evolution into a higher, grander form of expression and awareness. We are here to inspire Man to a complete dedication of self to the purposes of the Creator. This is in truth the Great Work to which many are called but few are chosen. Your mind is God's mind, whether you realize it or not; for there is but one Mind in the Cosmos. When you consciously know that, you begin to serve the higher Ideals which your spirit knows."

Q: "What is God's 'will' for Man?"

A: "More Life, Love, Truth, and Beauty."

Q: "Does the universe have a lesson to teach Mankind? As you know, we humans are often fearful, anxious and despondent."

A: "Yes. The universe teaches us to seek the 'centre' of peace and harmony within is, and regulate our lives from this one centre. That is how the life of the entire universe with all its planets and suns and stars is regulated. What beauty resides at the centre of things --what order--system! While the great machinery of life goes on throughout the vast Macrocosm, here at the starting-point of all is peace. Here unending harmony abides, a repose which no calamity can disturb. Worlds may end, terrible disasters may happen, wars may be fought and earthquakes shake the face of planets. But still the universe MOVES FORWARD. The pulse of life never stops, the centre remains unhurt. Man needs this calm SERENITY."

Q: "Do you suffer from Diseases of any kind of Venus, or during space flights?"

A: "Our people have long since learned the 'inner' causes of disease, and are aware that destructive thoughts or negative emotions (fear, hatred, jealousy, resentment, revenge, etc.) cause an unbalanced physical condition. Why? Because they cause a state of 'contraction' in all of the bodily cells. On the other hand constructive and harmonious thoughts produce E-X-P-A-N-S-I-O-N in all the cells. We realize that contraction is death and expansion is life. So we choose to expand into continually greater L I F E.

"Space flights no longer cause us any physical difficulty. This is because our Spacecraft produces its own 'synthetic gravity' during flight, and also produces its own air of the proper warmth and density.

"The external cold of outer space cannot hurt us, since we utilize the principles of Navaz or Night-Side forces to maintain healthful and comfortable living conditions inside our Spacecraft."

Q: "What do you mean by 'Navaz'?"

A: "That is our term for the Night-Side of Nature. This refers to the circular progression of the forces of the Vortex from the Sun. The lines of force follow a circular path out from the Sun and then return again. Moving from the Sun they belong to the 'Light-Side' of Nature; but when moving back to the Sun they belong to Navaz or the 'Night-Side'."

"Scientists on Earth know practically nothing of the forces found in the Night-Side of Nature. When they do discover these subtle forces, they will have the secret of 'repulsion by levitation'... as well as other secrets Man on Earth has not even imagined. Neither Earth, air, the depth of the seas nor those of interstellar space will hold secrets from that man who approaches from the Godward side to gain knowledge of Navaz."

Q: "Do you require any special kind of food to sustain you on long flights from one planet to another?"

A: "For space travel purposes, we take along with us a concentrated type of food resembling a round, flat wafer. On Venus, these wafers have been subjected to a mind-wave process we call 'Thought-conditioning'. The effect of this is to give the wafer whatever special food taste we desire to enjoy. For example, if we are hungry for a certain 'favorite' food we merely think of that and the wafer will taste like that food. An Earthling, for instance, might think of 'roast beef' or 'fried chicken' and upon eating the wafers would experience precisely the 'taste' reaction in his sensory nerves that he would if he were enjoying the real thing."

Q: "What effects are resulting in the universe from the series of atomic blasts we have been setting off on Earth?"

A: "Atomic nuclear explosions on your planet Earth are a most serious matter. Far more so than your scientists realize. Each explosion disrupts the etheric levels of life such as Atmospherea and Etherea. (See Monograph #4, "The Magic of Ether Ships") That is another reason why Space Ships are landing on Earth in constantly greater numbers. We seek to prevent this kind of destructiveness."

Q: "How do you accomplish your mental and scientific 'miracles'? I have heard the Space People have learned to forestall physical death for centuries. Could you give me and my friends some 'hint' as to your advanced techniques?"

A: "Yes, I can. We have attained mastery of the universal forces unknown to your Earth scientists. Indeed, they can never hope to discover these subtle powers because they are approaching them from the side of the 'physical eye' instead of from the side of the 'spiritual eye'. In the realm beyond magnetism are yet other forces, superior and more intense in vibratory frequency. These forces are operated BY THE MIND. Mind is of the Creator, and is the sustaining, creating source of everything that exists. An Adept learns how to raise personal vibration up to the higher levels of 'Odic' or Mind-Force. This has sometimes been referred to as 'Vril' and is a wonderful power to acquire. By its use we can almost instantly re-create the cells of the physical body...all this being done by the conscious direction of THOUGHT. With 'Vril' a human being is enabled to retain his or her physical body for a life span of from 300 to 1500 years."

As the Venusian's reply reached me, I suddenly noticed a feeling of complete weariness which seemed to overpower me. This was due, no doubt, to the length of time we had been in 'communication' by Telethot.

Sadly I brought our conversation to an end, after being assured by him that there would be further 'conversations' in the near future. "There is more to talk about," the Space Master said, "and more to learn." A few parting instructions were given to me then, as to how and when the next telethot communication should take place. Then the conversation broke off and I fell into a deep sleep that lasted for many hours.

For days after the communication I felt glorious. That sense of "living" in a great universe of light--electro-magnetic waves of light, wherein 'all things are possible'--became constantly more real to me. I thought of you, dear friend, who would read of that experience in the pages of this Monograph. And I saw you...moving ever Onward, Upward, and Godward...to the highest Realms of Mystic Light with the "Elect" of Mankind.

"THE MAGIC OF ETHER SHIPS"

Part One

The Etheric Worlds

Suppose--just for a moment--that you had "passed out of the physical embodiment" and are now "dead". No...don't shudder at the thought of physical death. You, as a good student of the deeper mysteries of life, need't have the slightest feeling of fear or anxiety in regard to your "transition". Knowledge and love enable us to cast out even the age-old inherited fear of experiencing so-called "death". So we intend to continually gain a more complete picture of that human episode known as death. The more we learn of the subtle or "occult" side of things, the less use we have for fear.

Going back to our original idea, that quite suddenly you "gave up the ghost" and died...what do you think you would see? That is, what would your spirit--the immortal part of you--what would it see on the "other side" of Life's mystic curtain? If your mind is somewhat dim on that question, be of good cheer and read on, for it IS a mighty big question, and one that has been baffling mortal man for centuries.

In the pages you are now reading, some fascinating new data will be presented to you, which we trust will throw some needed light on this subject of human "life levels". Most of this new information has been given to us by the Space People, through various contacts with humans on Earth. Some of these contacts have been made in recent times by such individuals as George Adamski, George Van Tassel, Truman Bethurum, Orfeo Angelucci and many others too numerous to mention.

To each of these Earthlings has been given information of a dimensionally greater universe than any of us have been aware of before. Now, however, with this new data that has come to us from the Space People, we are getting answers to vital questions.

In 1882, long before the people of our planet had even heard of "Flying Saucers", a man by the name of John Ballou Newbrough received a psychic communication from one of the Space People. This intelligent Being from another world, told John Newbrough that he must write a book by "remote control". That is, the Space Master would dictate the book, and John would transcribe it onto paper, after receiving the message.

Back in those early days, the typewriter had just been invented and was quite a crude affair in comparison to 1955 models. Nevertheless, the Space Master instructed John to purchase a typewriter and to merely hold his hands over the keys each morning an hour before dawn. John did so and found to his utter amazement that his

hands typed out the thoughts of the Space Master automatically, without his conscious control. He was told, incidentally, that he was NOT to read what he was writing until the manuscript was completed.

At the end of one year, the immense project had been completed ...all 891 pages of it. And he was instructed to publish it under the title of "OAHSPE", a New Bible. This book was not, mind you, intended to make our Christian Bible "obsolete" in any respect. Rather it was intended to supplement all the former Bibles, Vedas and other sacred books...and to show how all the former bibles are all parts of one stupendous plan of our Heavenly Creator for bringing light to earthly mortals, even as you and I.

The big thing we are interested in at this moment is the unique fact that OAHSPE was written by means of "Telethot" communication between an Earthling and a wise being from another time-space dimension. So when we read OAHSPE we know how it feels to view life, the creation on Earth, the higher spiritual worlds, etc., THROUGH THE EYES OF ONE OF THE SPACE PEOPLE!

Please do not misunderstand me. I am not trying to "sell" the book OAHSPE, for that is not my publication. My object is simply to call your attention to OAHSPE insofar as it relates to Flying Discs and our greater knowledge of the "Other Worlds".

Most public libraries have a copy of OAHSPE that you can secure in case you are interested in further "research" into its revelations. Or, it can be obtained by writing to The Essenes of Kosmon, Rt. 2, Box 26-A, Montrose, Colorado. Such books as OAHSPE (Meaning Sky, Earth and Spirit) are given mankind but once each 3,000 years. It gives light on Man's origin, purpose and destiny; the history of the planet, of the human races, of every major religion. Price of the book is \$5.00 postpaid.

In regard to these "Other Worlds" we mentioned a moment ago, we refer to the Etheric Worlds. Sometimes these are called "planes". They are actual worlds of finer physical matter known as "etheric matter". Though you and I cannot see these etheric worlds with the normal physical eye, they CAN be seen by our "inner" or spiritual eye.

There are just TWO Etheric worlds. They are spherical in shape just as our Earth is. And they interpenetrate and surround the Earth. Of course, the average "man in the street" hasn't the slightest inkling of the fact that these two invisible worlds are passing right through him at all times.

It is only when that person "dies" that his spiritual eye wakes up and sees those Etheric Realms. Quite naturally, he is, to say the least, startled by the sight. It is all so completely "strange" to him that he is totally unprepared to function like a good "spirit" should. The Space People tell us that countless millions of souls remain on the lower levels of the spirit-world for hundreds of years.

They have never learned of the existence of the HIGHER HEAVEN WORLDS and so they make no effort to go up higher.

This is deplorable. However, it is not in the least necessary for a human soul to tolerate undue hardship on any level of life. You can, for example, raise your own living standard simply by positive thinking and a determined will. There will always be those who "gravitate" to the "flop-house" environment simply because they think "in reverse".

There are, then, actually THREE WORLDS IN ONE. The physical Earth, and the other two, "intermeshing" Etheric worlds. These last two worlds are known as "Atmospherea" and "Etheraea". If you will please note the diagram on the front page of this Monograph you will gain a clearer picture of these invisible worlds. Notice that Atmospherea extends upward from the Earth's surface, and into the high stratosphere several miles above the Earth.

Atmospherea consists of much denser "etheric matter" than is found in Etheraea. That is why Atmospherea is the first Density you and I and all mortals will "visit" when and IF we should happen to pass out of physical embodiment. However, since there are certain methods and practices we can follow to keep our physical bodies in vital "balance" at all times, there is absolutely no need to "shuffle off this mortal coil" by dying. As you may recall, few of the true ADEPTS of history ever gave up their physical body.

Instead, they perfected the physical by refining the atomic structures of the cells. Enoch, you will remember, did not go through the experience of death. He "walked with God" and was taken up by the Space People to another planet where he was needed. I am firmly convinced that you and I can and will realize the same privilege in due time.

Human beings of the "mass-minded" category, naturally wake up in the next Density when they die. They then only possess the finer Etheric or Astral body, having moved out of the denser physical body --and "lost it" because of having broken the "Silver Cord". They are then known as "spirits". But here is the important thing to realize: The mere fact that a person becomes a "spirit" does not necessarily make him or her a "superbeing" all at once. Not at all. A "spirit" or "departed one" still remains much the same as he did before his transition. That is, he has the same mental attitude that he had on Earth. However, due to the fact that the molecules that make up the Etheric worlds obey laws different from those governing matter on Earth, a "spirit" has to study those laws and then learn how to apply them properly.

It is only through mastering all the natural laws that govern Atmospherea, that a spirit being, or "departed one" is able to progress to the next higher density. That is to Etheraea, or the Third Density of etheric matter.

The Ethereans dwell in etheric regions which extend above and beyond Atmospherea. They possess much finer etheric bodies than do the Atmosphereans. Etherean angels are beautiful, glorified beings. They are often called "Celestials". Mentally, they express an extremely high order of intelligence. In fact, so intelligent are they that they are allowed to govern certain stars, planets and worlds. But here is the interesting point:

As stated previously, all etheric beings still function in bodies made of physical matter. True, it is much finer than material we see on earth. Nevertheless, angels must retain bodies of extremely fine matter until the time comes for them to make their next "upward" spiritual step.

In the meantime, while they are learning important lessons of life in Etherea, the people of that world make use of "Fire-Ships" or Space Discs, to fly on important missions. These vehicles (also called "Ether Ships") are built by the Spacecraft Constructors of Etherea and Atmospherea, to carry the inhabitants from place to place. In this manner the angels of the lower and higher heavens learn the secrets of the Universe.

There is much magic connected with the Ether Ships and their operation. That is, it appears to be "magic" to us Earthlings, for we do not as yet comprehend it fully. It is only magical to us until we can gain greater knowledge of the HOW and the WHY of it.

In the book OAH SPE you will find many enlightening descriptions of Ether Ships. As most students of Saucer Phenomena are aware, the motive power for some of these discs is produced by musical sound activated by the action of the pilot's will-power.

For instance, on page 209 in the section relating to Fragapatti, Son of Jehovih, Chapter XIII, Paragraph 4, we read:

"Now struck up the Ethereans with music, thirty thousand of them, but soft and gentle as a breath of wind, carrying the tones around about the SHIP, even as an endless echo, calling and answering from all possible directions, a continuous and enrapturing change, as if near, and as if far off. So that the uninformed knew not whence the music came nor how it was produced.

"All these things were set to working order just as the great Avalanza (Ether Ship) was ready to start. Then Fragapatti went into the ship, being almost the last one to enter. Already the light was gathering bright and dense about him, his head almost hid in the brilliancy of the halo. And then he called out:

"Arise! Arise! In Jehovih's name, upward rise! And as he spake, behold the avalanza MOVED WITH HIS WILL, for all the hosts (student angels) joined in the same expression, and presently started upward the great Fire-Ship; leaving the burning walls and signal centres flickering below, so that even hell overthrown shone with great grandeur."

Again, on page 317, from the section relating to Cpenta-Armij, Daughter of Jehovih, Paragraph 19, we find:

"By music alone, some their ships propelled, the vibratory chords affording power sufficient in such high-skilled hands, and the tunes changing according to the regions traversed. Others, even by colors made in the waves of sound, went forward, carrying millions of angels, every one attuned so perfectly that his very presence lent power and beauty to that monarch vessel."

We should realize that, just as there are a great variety of different makes and models of automobiles and airplanes here on Earth, likewise, there exist a million varieties of Spacecraft (including Ether Ships). Some are in the shape of silvery discs. Some are cigar shaped. Some resemble bells, with a super-structure (see George Adamski's book, "Flying Saucers Have Landed"). Still others may have strange forms as yet unknown to us. However, Ether Ships have power to become visible and invisible. They can appear and disappear. Spacecraft from other denser physical planets remain visible to the eye. That is, they are visible when moving at slow speeds, or when hovering, or when they have landed.

Of course, it is obvious that any interplanetary craft, regardless of whether it is of physical or etheric construction, becomes increasingly less visible the faster it travels. After a Flying Saucer, for example, has reached maximum acceleration it is moving at the speed of 186,000 miles per second. This is the rate of speed attained by light, so the effect produced by a material object that attains that velocity would be something like a streak of light.

In future Mystic Monographs, we shall have more to say about the higher "life levels"--Atmospherea and Etherea--which will open up many new doors of understanding to you. You will be taught how to make certain of your "graduation" from Atmospherea (the next Density) in the briefest time possible, so that you can move up and away from the 2nd Density and into the 3rd Density of Etherea.

I am sure you will agree that it is foolish for any intelligent being to settle for anything less than the best in life. As an instance of this, why be satisfied with HALF-WAY answers to the many important questions you have about life and about yourself? Why not dig a little beneath the "surface" of things and find out some of the REAL REASONS for the seemingly "mysterious" happenings that go on?

All things can be explained...in a way that satisfies both the mind and the soul. Every effect has a CAUSE. You are learning some of the really important causes right now. You are getting acquainted with a much larger universe now; and you can see that you will have many exciting and thrilling NEW lessons to master when you yourself are one day ready to take your place in the higher Heaven Worlds.

"THE MAGIC OF ETHER SHIPS"

Part Two

The Great Harvest

Our planet Earth is on a mystical journey through space. That is what our scientists mean when they say that we live in an "expanding universe". Our Solar System with all its planets, moons and stars, is moving constantly upward and outward into higher regions of cosmic space.

One of these regions is known by the name of "Dan" which means "Light". In this region are found some of the higher Ethereal kingdoms. Therefore, our Earth must move through the regions of Dan, as it spirals onward and ever outward in space and time.

We are entering the Regions of Dan now. Consequently, you and I are living in the "Time of Dan", and so are receiving higher spiritual vibrations from this Region as our Earth rotates through it.

Quite naturally, the influence of this higher Etheric Realm upon mortals on Earth is considerable. That is why more and more men and women in all walks of life, and of all ages, are "looking to the sky" and to the Space People, for spiritual wisdom. Many people are puzzled over the things that are "coming upon the earth". They do not have even a slight "inkling" of what is in store for our world and its inhabitants.

As you well know, the subject of "Flying Saucers" is no longer something to be ridiculed or "laughed away". So many people have seen the Discs that mankind is finally waking up to the fact that "there are more things in heaven and earth....than are dreamed of in our philosophies" as Shakespeare said. We are beginning to accept Flying Discs and Spacemen as a reality to be considered. That is good. Of course, students of the mystic and occult side of nature have known about Flying Discs and similar phenomena for hundreds and thousands of years. We have long recognized "Saucers" for what they are: portents of THE COMING SPIRITUAL AGE!

A most illuminating occult explanation of Ether Ships and their mystic purpose, is revealed to us in the Book of Jehovih, from OAHSPÉ. Paragraph 13 tells us:

"And God shall appoint Chiefs under him who shall go down and dwell on the Earth with mortals; and such Chiefs" labor shall be with mortals for their RESURRECTION. And these Chiefs shall be called Lords, for they are Gods of Land, which is the lowest rank of My commissioned Gods.

"And God and his Lords shall have dominion from 200 years to 1000 or more years; but never more than 3000 years. (Length of Minor Cycle). According to the regions of Dan (Light) into which I

bring the Earth, so shall be the terms of the office of My Gods and My Lords.

"And God and His Lords shall raise up officers to be their successors; by Him and by them shall they be appointed and crowned in My Name.

"At the termination of the dominion of My God and His Lords shall gather together in these My bound heavens, all such angels as have been prepared in wisdom and strength for resurrection to My Etherean Kingdoms. And these angels shall be called Brides and Bridegrooms to Jehovih, for they are Mine and in My service.

"And to God and his Lords, with the Brides and Bridegrooms, will I send down from Etherea SHIPS (Ether Ships) in the time of Dan; by My Etherean Gods and Goddesses shall the ships descend to these heavens, and receive God and His Lords with the Brides and Bridegrooms, and carry them up to the exalted regions I have prepared for them.

"And all such as ascend shall be called a Harvest unto Me through My God and Lords."

The "Chiefs" who come down to the Earth and dwell with mortals, are the Space People who are still "in the Flesh". That is, they are not returning from the dead for they never died. By occult knowledge they continued living on in the same bodies as of this earth. In other words, the "Chiefs" have conquered that last enemy called "Death".

Their purpose is to teach all mortals who have proven themselves worthy of such knowledge, that they too can conquer Death. However, immortality of the physical body will only be realized by progressive individuals who are capable of attaining it. We must remember that "many are called, but few are chosen". This applies here also.

As you have already noted, millions of human beings now living on Earth will NOT survive the next 45 years physically. They will-- due to one cause or another--pass out of physical embodiment before the next era of Peace and Plenty (The Millenium) arrives. Among these millions of souls will be many wonderful people, men and women who are highly evolved individuals. The mere fact that they had to pass through the experience called Death does not mean that they are inferior beings. Actually, many of them will be the "cream of the crop" of mortals. They simply neglected to study the important science of "Immortality" during Earth Life.

What then, will happen to these people? According to the book of Jehovih, they will, after death, find themselves dwelling in the heavens of Atmospherea, the next Density beyond the material Earth. There they will remain until the "Time of Dan", which occurs frequently (once every several hundred years). Then, the "Great Harvest" of Angels takes place in the heaven worlds.

The Ethereans descend in their Ether Ships to "Harvest" the "Elect" or good souls in Atmospherea. Then the Ethereans ascend with several million new angels which have been "emancipated" from Atmospherea (the lower heavens) and enter into the higher heavens of Etheraea...the Celestial Realm.

As we mentioned previously, our planet is moving into the higher etheric regions at this very moment, and has been doing so for the past ten years. Consequently, the "Great Harvest" is on right now in the Etheric kingdoms. The Ethereans are intensely active in the "Second Density" (Atmospherea) collecting into their Fire-Ships all those who are prepared for the great new journey which is onward, upward and Godward into the Third Density or Etheraea.

Why use Ether Ships for this purpose? Why do spirits or angels require anything as cumbersome as a "Space Ship" in order to go from one place to another in the etheric realms? Why not just fly with their spirit body and soar up into the higher kingdoms?

The answer is, the astral bodies of the people living in Atmospherea, the lower heaven world, are much too densified to be able to function comfortably in Etheraea. You might liken this situation to deep sea diving. If we send a diver down into the extreme depths of the ocean, we have to protect his body by encasing it in a special diving suit built to withstand the pressure below. Now, once our diver reaches the levels of the ocean, we must NOT bring him up to the surface of the water suddenly or he will suffer extreme pain. He may even develop a condition known as the "bends", if he is moved too rapidly from high pressure to low pressure. Again, fishes of the deep-sea variety are known to burst when brought up into the upper levels of the ocean water.

The environmental differences between Density 1 (material earth) Density 2 (Atmospherea) and Density 3 (Etheraea) are so pronounced, some means of protection must be afforded to bodies of those who attempt to move freely through those densities.

Ether Ships are the logical solution to this problem of transportation between the 2nd Density and Etheraea. In the first place, Ether Ships are not cumbersome or unwieldy as would be, for example, our jet planes or six motored transport planes or even our helpful helicopters. Instead, Ether Ships are sleek, smooth, luxurious vessels which glide through space serenely and peacefully.

In the second place, although those persons who experienced "death" on earth, and who are now living in Atmospherea, are able to "fly" with ease through the Atmosphere of that Density (including our own material density of earth), they cannot fly beyond the uppermost spacial regions of Atmospherea. To do so would cause them much pain. I am speaking now of flights in the etheric or "astral" body only, without the use of Spacecraft of any kind. So you see that even those individuals living in the next Density (atmospherea) are limited the same as you and I, though not to the same extent. The point

is, they do have their limitations, and must observe them.

Human beings, that is, Earthlings, who have developed their spiritual sight through certain occult practices, are able to clairvoyantly SEE the Ether Ships as they descend into Atmospherea for the "Great Harvest". As you now realize, this is happening more and more frequently as we move into the higher etheric regions of light.

Many persons assert they have seen Ether Ships which seemed to appear and disappear at will. I have been asked many times for my opinion as to how such phenomena occurs. My reply has always been, that since the Ethereans are more highly evolved beings mentally and spiritually than we are at this time, it is no great trick for them to "materialize" and "dematerialize" their spacecraft. All that is required for an etherean ship to suddenly become visible to us, is a change in the "molecular polarity" of the ship. This could be done by mind force or by electronic means. The ship would then "attract" denser physical matter to it, causing it to "appear".

On the other hand, by reversing this particular polarity, the ship again returns to its original condition of "invisibility" because it is made of finer-etheric matter than we are accustomed to seeing physically.

Summing up what we have been talking about in the last two or three pages, there are several general conclusions we can arrive at in regard to the "Ether Ships".

1. They are designed to transport the good souls from Atmospherea into Etherea. This being accomplished once every several hundred years. It is the "Great Harvest".
2. They are specially "pressurized" spacecraft of finer etheric density than other spacecraft from material densities. As the chosen Atmospherean angels (the host) are transported upward into higher regions of etherean space, they are assisted by the Ethereans to "raise their vibrations" so they will be able to dwell comfortably in Etherea.
3. Without Ether Ships millions of souls dwelling in Atmospherea would never be able to leave the 2nd Density and progress higher into the 3rd Density of Etherea.
4. They (Ether Ships) have the power to become visible or invisible to our eyes. A good illustration of this power is given in OAHSP, book of Sethantes, page 24, paragraphs 8 & 9. I quote:

"When the ship of the hosts of God came to the city of Uldoo, mortals SAW it high up in the air, and they feared and ran hastily to consult the prophet of the Lord. And the prophet said: Behold, God appeareth in a sea of fire (glowing ether ship) in the firmament of Heaven.

"And God caused the Ship to be made unseen, that fear might subside on earth, and he descended with his hosts into the house of the Lord, and they went and touched the things mortals had builded that they might perceive corporeally."

5. Ether Ships are NOT the same craft that come from Venus, Mars, and other dense worlds much like our own planet. Instead, they come from another dimension entirely...namely, the 4-dimensional Space-Time world of Etheria, which is one of the etheric or invisible worlds interpenetrating Earth.

Due to the fact that the Ethereans are beings of a higher dimensional world, they may not look very much like us Earth Folk when they are functioning in their natural "habitat". However, when they come into a denser plane to carry out some good mission, they use bodies just like we do. Of course, they might be a little taller or shorter possibly--but much more attractive and with a much greater spiritual understanding than we have.

At the present time the general public is largely "in the dark" regarding the Ether Ship mystery. Most people have heard, read about or actually seen "Flying Saucers"--which are NOT Ether Ships, as we have learned in this study. However, few persons have discovered the story of these INTERDIMENSIONAL CRAFT that originate in Etheric Realms!

Quite true, the newspapers, the radio, and television reporters are "playing down" the whole astounding episode. There is an enforced "hush-hush" rule among the newscasters. The idea is to treat "Flying Saucers" and Spacemen" as one big joke, and then let it go at that. On the other hand, only a very few of them are even aware of such things as "Ether Ships" or the etheric realms.

So the Discs will have to do their own talking. This they are doing more and more. Some of the true story will be told to the "mass-minded" in the late Spring of 1956. Our Space Friends--for such in truth they are--will then gently help our fellow humans on Earth to "grow up" in short order, by presenting thousands of Earthlings with objective "phenomena" that simply can't be explained away. Time, as you know, is short. We are living in the prophesied "time of the End". It is time for a CHANGE.

Fortunately, our planetary Guardians are waking us up. They are filling our skies with an ever increasing number of space ships from many different Densities. "Contacts" by Earthlings like George Adamski, Truman Bethurum, Orfeo Angelucci, Dan Frey, and others, with the Space People are becoming commonplace. We are learning to face "reality" and the tempo of this learning is being stepped-up dramatically by our great teachers.

In the coming years, people on Earth will tremble with fear of "the things that are coming upon the Earth". . . . You, however, will

not tremble. In those moments of terrible darkness and indecision, you will not panic. We who believe in God understand that he created ALL the heavens and the Earth. By "heavens" we understand that to mean the entire universe all the way out to the last star. This includes planets beyond planets, suns beyond suns, solar systems beyond solar systems, galaxies beyond galaxies.

Too, we know that means the UNSEEN WORLDS as well as the seen. Let us accept the Creator in His fullness...in all His Infinite Glory. When we do this, and we shall--what would we have to fear? In truth, there is nothing at all to fear. The entire universe is FOR man, not against him. All things work together for GOOD, and even though the Earth itself be "removed out of her place" so that she "reels to and fro like a drunkard"...still our hearts shall NOT fail us. Intelligence, not chaos, rules the universe.

And it is the intelligence in you that can and will protect you now and in the perilous days to come, just as it has always stood by to direct you during serious times in the past. You have done nobly well, and my only suggestion would be to practice living more and more from your own Soul-Center of Life, Love and Light in your daily activities. Therein lies your only true security.

Of course, many of the Space People are your friends. This includes many of the Ethereans as well. They are spiritually evolved enough to know that all evil is self-destructive and consequently of no use whatsoever to the illumined soul. However, evil is by no means confined to planet Earth exclusively. Wherever life exists, there also exists the possibility of misusing that life. Hence we can expect to find evil-doers on any planet, no matter how highly advanced or evolved the people of that planet might be. While it is true the majority of the Visitors from Space are constructively minded, there are a few who are not. And it is for this reason that we must "test" every being whom we contact (or who contacts us) to find out if he is on the side of Cosmic Good or mere personal gain.

I believe that in this Monograph I have given you a new and more comprehensive picture of THE REAL YOU and your ever-unfolding spiritual destiny. We have delved deeply into the ancient lore of that mystic Land known as ETHERIA. We've seen how the Ethereans are able to function efficiently in their Etheric Realms, by living there according to the physical, mental and spiritual laws of their higher dimensional worlds. We have uncovered much of the mystery surrounding ETHER SHIPS, learned why they are necessary, and we have caught a glimpse of our own great and wondrous journey to the stars.

We've come to know that your journey and mine, is ever Onward, Upward and Godward...from Density to Density...higher and higher...until at last one day our minds comprehend Creation in its grandly magnificent aspects. Then we will have returned on the "ingoing wave" to the One Still Light at the center of All.

Discs, Destiny & You

Mystic Monograph No.5

A P E R S O N A L N O T E

Dear Friend and Mystic Student:

In this Monograph, "DISCS, DESTINY & YOU", we study a subject of vital interest and importance to all of us. That is, the COMING COLLOSAL CHANGES which our planet Terra (and its 3 billion people) are due to experience between now and the Golden Millenium we are joyously awaiting.

Your Destiny during the next 44 years will be far more thrilling, enlightening, and "adventurous" than you--at this moment--can possibly imagine. Yes. It will be a wonderful Destiny, because of the profound influence for good the Space People are going to have on your life from now on.....in spite of the "changes" that must transpire.

The secret of staying "alive" (that is, in physical embodiment) from now on, even through the eventual crisis to come, is to change your thought and keep it changed. For those who start at once improving their mental world by thinking along the lines of Love, Life, Truth and Beauty, the future will be exceedingly bright. Few of the unpleasant things, such as the cataclysmic changes impending, or the axial SHIFT of the earth as revealed in these pages, will even affect those whose feet are on the glorious Mystic Path leading Upward.

Positive Thought-Control, however, is imperative. The old mental patterns of fear, negation, and destructive emotion, cannot be taken into the coming Millenium, which will be the INTERPLANETARY AGE. As space flight becomes a reality to Earthlings, a New Order of thinking will awaken on Earth, in which we will have related ourselves more perfectly to the magnificent purposes of the Creator of all Life.

Yours in Truth and Love,

Michael X

"DISCS, DESTINY AND YOU"

Part One

The Polar Shift

Flying Discs, the Space People, and our Earth's polar "shift", are all related in a most interesting way, to your Destiny. Destiny is that which is irrevocable. That is, it is an experience or combination of experiences which you must become "aware" of as you move forward in consciousness.

Death, for example, is a form of destiny which all mankind (with the exception of a very few Adepts) learns to accept mentally. In fact, race thought has it that death is inevitable for all living creatures. Those who study the mystic science of mind, life, and spirit, learn that destiny is not always "unchangeable". We can be "Masters of Fate".

Occult science defines destiny as "necessity"; that which must be or happen as the result of what has been thought and said or done in the past or present time. Your destiny, then, has little or nothing to do with "stars" or where you happen to live, or even whom you happen to meet "by chance". Instead, we create our own individual destinies day by day, moment by moment--BY THE KIND OF THOUGHTS WE THINK.

Change your mind--your "consciousness"--and you change your destiny. The idea is to change your thoughts from negative to positive, from destructive to constructive, and by so doing you are creating a NEW "chain of events" that will brighten your tomorrows. We can never hope to enjoy happy experiences in the future unless we lay the foundations today, by our present thoughts and actions.

Many students of the Inner Teachings believe in an "ultimate destiny". That is, they feel that some day, some time, they will experience a FINAL or LAST destiny. For some persons the ultimate destiny would be to attain "Cosmic Consciousness" or to be absorbed in an ecstatic, blissful state of "Nirvana". According to the Space People, man has NO ultimate or final destiny. There is no such thing as FINALITY in all the Cosmos. We do, however, have an INFINITE DESTINY. You and I are now thinking beings. As a result of our thoughts, we are continually creating a moving "Succession" of destinies for ourselves. Since you never cease "unfolding", how could there be a final destiny?

Once you realize this, you instantly become more of a master over yourself and over life itself. The principle of it all is utterly simple and sensible. One doesn't have to go anywhere else or seek somebody outside of himself, to bring about this INNER Change of Consciousness. One has merely to ask himself (or herself) "Which

do I serve? Good or Evil? The Unlimited or the Limited?" In your choice lies your Destiny-to-be.

Good is unlimited in its scope of action, whereas Evil tends to destroy itself. One is an expanding force; the other contracting. If you contract anything, it soon dies. Life simply refuses to be confined, restricted or contracted in any way. The tendency of the entire Universe is E-X-P-A-N-S-I-O-N. We live in an "expanding universe". In this principle is found the real key to abundant living.

I mention these things because they do have an important bearing on your own Destiny, which will soon be apparent to you. At this particular moment, time is "of the essence". In order to properly construct the best kind of destiny for yourself in this changing world, it is necessary to know the facts.

Occultists have long known of the existence of "planetary cycles". Ancient Hindu writings such as the Book of Dzyan, describe these cycles in detail. It seems that each planet, including our Earth, experiences a number of "axial shifts" during its lifetime. These shifts occur with a certain regularity, which the ancients claim to have measured with some degree of exactness. For example, "Racial Cycles" which measure the progress of man on Earth, are figured in a Minor Cycle (2500--3000 years) and a Major Cycle (26,000 years). Racial Cycles are related to Planetary Cycles.

A Planetary Cycle covers a period of 7200 years (round numbers). It is at the end of this period that the axis of the Earth makes a sudden SHIFT, causing the land to slide under the oceans at terrific speed, and tearing away mountains and covering forests. This happened not once, but many times ages ago, which fact accounts for our present coal beds. Also, it accounts for the presence of Mammoths (a tropical animal) being frozen in mountains of ice in the far north regions. The Mammoth belongs to the Elephant family, and elephants have an intense dislike for cold weather. Their natural habitat is in tropical regions, such as Africa and India. What history books call the "Glacial Period" or the "Ice Age", was a planetary condition which resulted from a polar shift.

This idea of a periodic "Polar Shift" was first brought to my attention by George Van Tassel during my last visit with him at Giant Rock. I think it would not be amiss to briefly review what was mentioned then. It was George's understanding that our Earth is now approaching the mid-point between a Minor and a Major Cycle. This seems to indicate that our planet is nearing the end of a Planetary Cycle (7200 years). The time remaining until the end of this Cycle is reached, is not exactly known; however, there is some evidence to the effect that this cycle will terminate within 45 years from today.

This does not mean that our world will "come to an end" at that time. Not at all. A periodic shift of the Earth's axis should occur at that time, just as it happened in the long-since-forgotten past.

Quite true, for a great number of people it will be the "end of the world", for they will not survive the tremendous planetary cataclysm.

The Space People, George said, are well aware of the Polar Shift that is in the offing. They realize fully that the general effect of atomic explosions on Earth is to hasten the "Time of the End", for the simple reason that--as Sir Isaac Newton observed--"For every action there is an opposite and equal reaction". Shoot a gun and the gun "kicks" back. Explode a Hydrogen Bomb on the Earth's surface and the Earth must also "react" by oscillating or "wobbling" more in its orbit. This has already occurred.

The "wobble" takes place at the extreme ends of the earth where the polar ice caps are located. This ice forms a mountain two miles high. In fact, both the North and the South Poles are surrounded by many millions of square miles of polar ice. As the earth spins around describing its large orbit, the polar ice caps also rotate..but in small eccentric ellipse. This small "eccentric orbit" is spread out over the larger one. Therefore the Earth actually describes TWO orbits AT THE SAME TIME, in place of merely one. Now, if we increase the diameter of the smaller orbit, what happens?

The "gyroscopic" action of the earth increases, does it not? As a result, the polar ice caps MELT AT A MUCH FASTER RATE. When those "mountains of ice" two miles high, begin to melt rapidly they SHIFT THEIR WEIGHT. This condition causes definite land and climatological changes to occur all over the Earth.

The severe polar shift occurs when the "wobble" of the poles reaches an extreme or maximum state of imbalance. Then, like a gyroscope trying to right itself, a sudden BIG SHIFT takes place and land crumples and slides under the oceans with violent speed.

George Van Tassel believes that this is the time referred to in the Christian Bible as "The Father's house-cleaning among the planets". During this critical time of the "Great Shift", or immediately before this world event, our friends from space will descend in their Flying Discs and other Space Ships, to rescue all deserving humanity.

There is a story told of Abe Lincoln that seems to be appropriate at this point. As you know, the woods are full of "false prophets" who go about predicting the "end of the world". Usually, when the prophesied time arrives, nothing happens...and the Earth keeps on rolling around just as if it hadn't any idea that--according to prophecy--it was supposed to "be consumed" in one way or another.

One day a group of Lincoln's friends ran up to him in great excitement, exclaiming, "The world is coming to an end! The world is coming to an end!"

Honest Abe didn't appear the least bit disturbed by the news. His friends tried again to impress the situation on his mind.

"Don't you understand?" they shouted, "The whole world is coming to an end NOW!"

Lincoln looked them in the eye. "That's all right, boys," he said. "I can get along without the world!"

We can learn much from Lincoln's calm reaction to "startling" news. It tells us that he had found his own spiritual center of serenity which nothing outside of himself could shake...for his REAL SELF was IMMORTAL.

A VISION OF THE IMPENDING

"Destruction is but the prelude to Renewal:
Death is but the portal to Life;
Even truth also must be made new,
Behold, I saw the Heaven in a blaze of purity,
And I saw the EARTH absorbed into an Abyss.
THE ROLLING SPHERE INCLINED!

"The moment of destruction was at hand.
Mountains suspended over mountains;
Hills sinking upon hills;
Lofty trees toppled headlong;
They sank downwards into chasms."

"DISCS, DESTINY & YOU"

Part Two

Your Secret Destiny

As soon as I became aware that a "shift" in the axis of the earth was impending, I at once began a diligent search for more facts. What I found was, to say the least, as astounding as it was enlightening. All of the ancient esoteric teachings were in agreement on one momentous and important thing:

THE AXIS OF THIS EARTH PERIODICALLY INCLINES AT A 45 DEGREE ANGLE TO THE PLANE OF ITS ORBIT, AND IT HAS GONE THROUGH FOUR SUCH INCLINATIONS DURING PAST AGES.

Or, to put it more simply, the axis of rotation shifts suddenly, causing the earth to tip at an angle of 45 degrees. Ever since the first dawn of creation, man has observed that our globe has a unique "cyclical" life of its own. That is why the belief is expressed in nearly all the old writings (history, mythology, philosophy and Occult manuscripts) that this Earth has passed through a series of time cycles, each cycle ending in a "planetary convulsion" such as a violent earthquake, a flood, volcanic fire explosion, etc. The Deluge is but one instance.

The Rosicrucians firmly believe that the earth inclines or "tips" at regular intervals. They have given us much valuable literature on this vital subject, and I heartily recommend that you look into the late Max Heindel's book, "The Rosicrucian Cosmo-Conception" for much worthwhile information on this. A copy of the book can usually be obtained at your public library, or from an Occult book store.

As we have noted previously in another Monograph of this series, fire and water alternately destroy the continents of Earth. The active agents in this destruction being earthquakes, volcanoes, tornadoes, sinkings and displacements of the various land areas. These periodical cataclysms of our planet do not, however, happen without warning. In every case of the earth "shifting" on its axis and tipping sharply, humanity is kindly given a number of "warnings" beforehand. I refer, of course, to incessant earthquakes and volcanic eruptions which occur years in advance of the major devastating "shift."

Commentaries in the Secret Doctrine mention one of these events as follows:

"The great mother (Earth) travailed under the waves and a new land was joined to the first one which our wise men called the head-gear (North Pole). She travailed harder for the third (race) and her waist and navel appeared above the water. It was the belt, the sacred Himavat, which stretches around the world. She broke toward the setting sun from her neck downward (to the southwest) into many lands and islands, but the eternal land (the cap) broke not asunder. Dry

lands covered the face of the silent waters to the four sides of the world. All these perished. Then appeared the abode of the wicked (Atlantis). The eternal land was now hid, for the waters became solid (frozen) under the breath of her nostrils and evil winds from the Dragon's mouth," etc., etc.

This account as well as all of the other old and dusty manuscripts which describe the periodical tip of the earth, reveal the ancient belief that the North Pole was our first and original continent on Earth. At the beginning of creation, the "eternal land" was NOT a place of ice and snow as it is today. Instead, it was a veritable tropical paradise, much like the State of Florida is now.

The original "Garden of Eden"--where man was first created on this planet--was located in that continent at the North Pole. Later came the great "polar shift", reversing the climatic conditions completely, and freezing the tropical Mammoth Elephant in mountains of ice two miles high.

Delving still deeper into the ancient books, we find another astounding manuscript on this intensely fascinating subject. It is the Commentary of an old Buddhist Faith as cited by Blavatsky:

"When the wheel (Earth) runs at the usual rate, its extremities (the poles) agree with its middle circle (equator). When it runs slower and tilts in every direction, there is a great disturbance on the face of the earth. The waters flow toward the two ends, and new lands arise in the middle belt, while those at the ends are subject to pralayas (cleansing) by submersion."

You have quite likely heard of the "Book of Enoch". It is a Biblical book, yet it pre-dates our Bible by millions of years. Some Bible commentators refer to it as the "Book of Adam", for they are of the opinion that Adam wrote it. One chapter is titled "A Sermon to the Sons of Men". It seems to be describing a vision of THE COMING CRISIS of our planet, now impending. I quote:

"Yet all this starry firmament of beauty shall pass away, and cease to be in the days to come; they shall be changed by FIRE; they shall be renovated by WATER, as of old in the olden time. GOD shall come forth out of the places afar off; He will tread upon the mountains, and the mountains shall give way under Him, and the valleys shall be made straight before His feet, and the pillars of the earth shall be shaken; the Voice of the Supreme shall be heard; the mighty Heaven shall hear and tremble; the sea and waves shall quake with terror.

"The sun shall not be visible; the moon shall also withhold her light; but there shall be NO DEATH, NOR ANY DESTRUCTION: but all shall be renovated and made more beautiful than ever."--Book of Enoch.

It is difficult to see how there would be no death for the masses of humankind when the earth next tips at a 45 degree angle. I think we may safely interpret that passage to mean there shall be no death

FOR THE ELECT of "Enlightened" and spiritual people...who are now launched on the UPWARD PATH.

That, in fact, is your SECRET DESTINY. You and I and an ever-increasing number of sincere individuals--men, women and children in all walks of life--can be comforted in the knowledge that, when the time of the "Great Tribulation" comes (and no man knoweth the day nor the hour) many wise and highly spiritual beings will descend to this planet in Flying Discs. Their purpose: to preserve as many human beings in the physical state as possible. All else will find no protection.

The Space People from Venus (the planet which represents our Earth's "higher self") are God's messengers of Light. We should trust them, as we would trust God. That is to say, we should embrace the help they offer whenever they choose to offer it. And we need NOT fear them, nor need we live in dread of the next polar shift, for:

"God is our refuge and strength, a very present help in trouble. Therefore will we NOT FEAR, though the Earth be removed, and though the mountains be carried into the midst of the sea; though the waters thereof roar and be troubled, though the mountains shake with the SWELLING thereof." Psalm 46: 1-3

That advice is from our own Bible, and I am sure you recognize it. Also, I do trust that its real meaning is conveyed to you more clearly than when you previously read it. The connection between the Space People, that is, the Venusians, and the "Polar Shift" is seen in another Biblical passage:

"And when these things begin to come to pass, then LOOK UP, and LIFT UP YOUR HEADS; for your redemption (protection) draweth nigh." Luke 21: 28

What does this mean? It means that our "way of escape" from destruction in the Dark Night of Tribulation, is simply not to stay on the earth during the cataclysm, but to allow our friends (the Space People) to lift us up off the planet in their Space Ships.

When the earth has once again righted itself, and the sun and moon again show their light...we shall be returned safely to this planet, to experience the glorious Millenium. In the words of our own Bible, "Then we which are alive and remain (in the flesh) shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall we ever be with the Lord." (That is, under the guiding influence of the Venusians). Thess. 4: 16, 17

Those of us who are fully aware of the possibility of this event coming to pass in the not too distant future, will not hesitate to prepare ourselves mentally, physically and spiritually for it... NOW.

Bozena Brydlova, author of a most enlightening book entitled, "The Brydlovan Theory of the Origin of Numbers", gives us much valuable information on the Great Shift:

"All the data contained within the old philosophies teach us that man attained his development in Cycles, beginning with senseless innocence and purity, and gradually developing from acquired materialism AFTER EACH TIP OF THE EARTH, into a state of degradation. When the lowest state of

degradation has been reached, the wheel starts its way UPWARD and once more humanity treads the UPWARD PATH, higher with each tip of the axis, until the time that ALL are gathered to the One Cause thru their spiritual attainment of purity. Precise figures as to the length of time from tip to tip give us 7200 years. Dividing the cosmic circle into 45 degree angles, we find four on one side and four on the other. True it is that mankind could hardly reach a lower state of humanity than the world has witnessed in the past thousand years, but as we are said to be now in the FIFTH "sun" (fifth age), we can be comforted by the knowledge that we are NOW launched on the UPWARD PATH."

If this theory is correct, our earth has four more "tips" to make before it finally "etherializes", that is, turns into a sun.

What we call the "Millenium" was called the "Sibylline year" by Virgil. In his 4th Eclogue, he refers to the next tip of the earth.. and to the Millenium to follow:

"The last period sung by the Sibylline prophetess is now arrived and the grand series of Ages, that series which recurs again and again in the course of one mundane revolution, begins afresh. Now the Virgin Astraea returns from Heaven, and the primaeval reign of Venus recommences. Now a new race descends (in space ships) from the celestial realms of holiness. Do thou, Lucina, smile propitious on the birth of a Boy who will bring to a close the present age of Iron, and introduce throughout the whole world a new Age of Gold. Then shall the herds no longer dread the fury of the Iion, nor shall the poison of the serpent any longer be formidable.

"Every venomous animal and every deleterious plant shall perish together. (As a result of the next axial shift). The fields shall be yellow with corn; the grapes shall hang in ruddy clusters from the bramble, and honey shall distill spontaneously from the rugged oak. The universal globe shall enjoy the blessings of PEACE, secure under the mild sway of its new and divine sovereign."

Delving back still further into the manuscripts of the ancients, we come to the Koran of the Mohammedans. Here again we find a descriptive account of the next "shift": "The earth shall be SHAKEN, and not only all the buildings, but THE VERY MOUNTAINS LEVELED, and THE HEAVENS MELTED, etc."

To banish whatever trace of skepticism yet remains in your mind, as to the actual TRUTH of the several "axial shifts" already made by our planet, consider the following:

On the great Sahara desert, sea-shells in numerous quantities can be found today...showing that this vast desert was formerly the bottom of an ancient ocean.

Yet another instance of this is found in Wyoming. Certain portions of that state are filled with petrified sea-shells; again proving that this now arid land was once an ocean bed. So we see that the "Great Shift" of the earth upon its axis, really did happen in the dim, bygone past...and not just once, but many times. At least four to date.

But what about NOW...today? Exactly what is happening to this planet right now? Fate Magazine for April 1955, on page 8, gave us some amazing data, which I quote:

"A slip amounting to about 75 feet a year has been detected between the earth's outer skin and her inner core. What this may mean isn't known exactly, but it could help explain the suggested SHIFTING OF THE CONTINENTS under the continental drift theory.

"And besides all this, THE EARTH IS SHOWING AN INCREASING TIP IN HER AXIS. At present the pole seems to be shifting only about a centimeter a year...nearly 100 years to shift a yard...but the TILT SEEMS TO BE INCREASING and some estimates place the change as much as 10 centimeters a year.

"All this has been reported by Dr. Roger R. Revelle of the U.S. National Research Council and Dr. Walter H. Munk of the Scripps Institute of Oceanography, both of La Jolla, California."

This condition of the planet is causing drastic weather changes all over the globe. In 1953, William J. Baxter made a study of these climatic changes, and published his findings in a book titled, "Today's Revolution in The Weather". So popular was the book it sold 225,000 copies. In that book, Mr. Baxter brought the world weather situation to the attention of human beings everywhere. Now he has written an entirely new book on the same theme, entitled, "Warmer Weather!...Boom in North!" His thought is as follows:

"IT ISN'T 'JUST YOUR IMAGINATION'! Winters are getting warmer; summers are hotter, drier, more unbearable. Every scientific study, every anxious report from worried farmers, bankers, ranchers, fruit growers, retailers, real estate and utility men confirms it. The CLIMATE OF THE WHOLE NORTHERN HEMISPHERE IS CHANGING DRASTICALLY. And here in the United States and Canada, we are on the verge of the greatest revolution in agriculture, industry and daily living that has ever been known."

We, as students of life's deeper secrets, can look back of these "outer effects" and see the occult (that is, hidden) reasons for all

the changes. We realize that a NEW NORTH POLE is coming about. (This fact throws ocean navigators many miles off course when charting by means of the old maps, which are now virtually obsolete).

Yes, Earth is wobbling on her axis. A new "Polar Shift" is due. The precise date of the shift remains of course, a cosmic secret. But we know the great event is not too far in the distant future. What is happening in and on the earth at this very moment logically foretells the mighty upheavals of Nature that will take place when the sudden shift comes. A probable date is any time between now and the year 2000 A.D., when the Golden Age of the Millenium begins.

We know the coming shift is scientifically predictable, just as it is now scientifically possible to predict solar eclipses, weather conditions, high and low tides, the next date when a certain comet will appear in our skies, etc. etc., so is it possible to calculate with a high degree of accuracy when the next SHIFT of our planet will occur. In our opinion the greatest authority on this vital subject is Mr. Adam D. Barber of Washington D.C. Mr. Barber is an attorney at law, who has experimented with and studied the gyroscopic action of our solar system for over twenty years. This led him to the discovery of our earth's periodic shift, coming soon, which will bring upon humanity a catastrophe of major proportions. If you have not yet read his book, "THE COMING DISASTER", I strongly urge you to send for a copy of it now. The price is only \$1.00. The information it contains will prove of superlative value to you in the days ahead. To get your copy of Mr. Barber's book, send one dollar to the following address: BARBER SCIENTIFIC FOUNDATION. P.O. BOX 3254, Washington 10, D.C.

If you are diligent in your application of New Age truths from now on, you will quite likely reach the Millenium "in the flesh", and get safely past the "shift" without the slightest bit of physical harm coming to you during the whole thrilling experience. But you must see to it that the "coverings of the Light" are removed from your mind and spirit. Then you shall know yourself as a true Godlike being and be ready to take your place in the Age of Peace, Power and Plenty.

In the days to come, you will be guided in THE WAY you are to go for your safety and further progress. Much hidden knowledge and valuable instruction will be given you...often in quite strange and, yes, mysterious ways; but always at THE time when you need guidance most. Hence, you need not concern yourself unduly with the future. The Space Masters have told us that our lives must function from the SOUL CENTER within us...NOW, in this eternal instant of Time...which has no beginning and no end. We are Eternal Beings, sublimely "centered" in the One All-Seeing Mind within. Outer events cannot shake us nor destroy what is forever unshakable and indestructible.

I say to you sincerely, you have unlimited majesty within you. Release it. For your future is as BIG as the Universe is boundless, and as grand as the dreams and hungering demand of your waking Soul.
